

2012 Kansas Statutes

65-189e. Act inapplicable to certain lands. The provisions of this act shall not apply to:

(a) Land used exclusively for agricultural purposes as defined in this act or to land under the control of the Kansas department of wildlife, parks and tourism, but the department shall not develop any land under its control without providing water, sewage disposal and refuse disposal facilities that are in conformity with these standards and have submitted plans therefor to the secretary of health and environment and obtained the secretary's approval;

(b) subdivisions platted and approved by the board of county commissioners prior to August 1, 1965, except that this exemption shall not be extended to any construction other than a single family residence and shall not permit violation of any local ordinance or code or the creation of any condition that is detrimental to the health or property of an adjacent property owner; or

(c) land subject to a sanitary code or codes as defined in K.S.A. 19-3701 through 19-3708, and amendments thereto, which contain provisions for control of the subsurface disposal of sewage, supplying of water from on-lot wells and the disposal of refuse, if the county, city-county or multicounty health department enforcing such sanitary codes shall furnish to the secretary of health and environment such information as the secretary may require concerning the number and types of such sewage, water and refuse facilities installed in the sanitation zone.
