

## 2012 Kansas Statutes

**65-1,208. Noncompliance; notice; duty to meet compliance requirements.** Whenever an authorized agency of the secretary finds that any individual, business entity, accredited program or public agency is not in compliance with the residential childhood lead poisoning prevention act or any rules and regulations adopted under the residential childhood lead poisoning prevention act, it shall be the duty of such agent to notify the individual, business entity, accredited program or public agency in writing of such changes or alterations as the agency shall deem necessary in order to comply with the requirements of the residential childhood lead poisoning prevention act and any rules and regulations adopted under the residential childhood lead poisoning prevention act, and the agency shall file a copy of such notice with the secretary. It shall thereupon be the duty of the individual, business entity, accredited program or public agency to make such changes or alterations as are contained in the written notice within five days from the receipt of such notice.

**History:** L. 1999, ch. 99, § 10; Apr. 22.
