

2012 Kansas Statutes

65-1637a. Institutional drug rooms; supervision and record-keeping; rules and regulations. (a) An institutional drug room shall be under the supervision of a pharmacist or a practitioner, who may be retained on a part-time basis and who shall be responsible for recordkeeping and storage of drugs by such drug room. For the purposes of this section, "practitioner" means any person licensed to practice medicine and surgery.

(b) The board shall adopt such rules and regulations relating to record-keeping and storage of drugs by institutional drug rooms as necessary for proper control of drugs by such drug rooms.

(c) This section shall be part of and supplemental to the pharmacy act of the state of Kansas.
