Applications for registrations and permits; renewals; forms; establishment of fees; establishment of retail dealer classes; display of registrations and permits; expiration dates; penalty fee for renewal after lapse; proration of fees. (a) Application for registrations or permits under K.S.A. 65-1643, and amendments thereto, shall be made on a form prescribed and furnished by the board. Applications for registration to distribute at wholesale any drugs shall contain such information as may be required by the board in accordance with the provisions of K.S.A. 65-1655, and amendments thereto. The application shall be accompanied by the fee prescribed by the board under the provisions of this section. When such application and fees are received by the executive secretary of the board on or before the due date, such application shall have the effect of temporarily renewing the applicant's registration or permit until actual issuance or denial of the renewal. However, if at the time of filing a proceeding is pending before the board which may result in the suspension, probation, revocation or denial of the applicant's registration or permit, the board may declare, by emergency order, that such application for renewal shall not have the effect of temporarily renewing such applicant's registration or permit. Separate applications shall be made and separate registrations or permits issued for each separate place at which is carried on any of the operations for which a registration or permit is required by K.S.A. 65-1643, and amendments thereto, except that the board may provide for a single registration for a business entity registered to manufacture any drugs or registered to distribute at wholesale any drugs and operating more than one facility within the state, or for a parent entity with divisions, subsidiaries or affiliate companies, or any combination thereof, within the state when operations are conducted at more than one location and there exists joint ownership and control among all the entities.

(b) The nonrefundable fees required for the issuing of the licenses, registrations or permits under the pharmacy act of the state of Kansas shall be fixed by the board as herein provided, subject to the following:

(c) For the purpose of fixing fees, the board may establish classes of retail dealers' permits for retail dealers selling more than 12 different nonprescription drug products, and the board may fix a different fee for each such class of permit.

(d) The board shall determine annually the amount necessary to carry out and enforce the provisions of this act for the next ensuing fiscal year and shall fix by rules and regulations the fees authorized for such year at the sum deemed necessary for such purposes. The fees fixed by the board under this section immediately prior to the effective date of this act shall continue in effect until different fees are fixed by the board by rules and regulations as provided under this section.

(e) The board may deny renewal of any registration or permit required by K.S.A. 65-1643, and amendments thereto, on any ground which would authorize the board to suspend, revoke or place on probation a registration or permit previously granted pursuant to the provisions of K.S.A. 65-1643, and amendments thereto. Registrations and permits issued under the provisions of K.S.A. 65-1643 and 65-1644, and amendments thereto, shall be conspicuously displayed in the place for which the registration or permit was granted. Such registrations or permits shall not be transferable. All such registrations and permits except retail dealer permits shall expire on June 30 following date of issuance. Retail dealers' permits shall expire on the last day of February. All registrations and permits shall be renewed annually. Application blanks for renewal of registrations and permits shall be mailed by the board to each registrant or permittee at least 30 days prior to expiration of the registration or permit. If application for renewal is not made before 30 days after such expiration, the existing registration or permit shall lapse and become null and void on the date of its expiration, and no new registration or permit shall be granted except upon payment of the required renewal fee plus a penalty equal to the renewal fee. Failure of any registrant or permittee to receive such application blank shall not relieve the registrant or permittee from the penalty hereby imposed if the renewal is not made as prescribed.

(f) In each case in which a license of a pharmacist is issued or renewed for a period of time less than two years, the board shall prorate to the nearest whole month the license or renewal fee established pursuant to this section.

(g) The board may require that fees paid for any examination under the pharmacy act of the state of Kansas be paid directly to the examination service by the person taking the examination.
