

2012 Kansas Statutes

65-1662. Veterinary medical teaching hospital pharmacy; distribution and control of prescription-only drugs; pharmacist in charge. (a) Distribution and control of prescription-only drugs in a veterinary medical teaching hospital pharmacy shall be under the supervision of a pharmacist in charge. The pharmacist in charge shall also be responsible for establishing and maintaining adequate policies and procedures for training of personnel; storage and maintenance of prescription-only drugs and equipment; quality assurance, labeling, packaging and distribution of prescription-only drugs; recordkeeping and security.

(b) The board shall adopt such rules and regulations relating to the policies and procedures for veterinary medical teaching hospital pharmacies as necessary for proper control of prescription-only drugs by such veterinary medical teaching hospital pharmacies and adequate safety.

(c) This section shall be part of and supplemental to the pharmacy act of the state of Kansas.

History: L. 2000, ch. 89, § 4; Apr. 27.
