

2012 Kansas Statutes

65-1687. Same; maintenance of records. All information collected for the prescription monitoring program database and any records maintained by the board, or by any entity contracting with the board, submitted to, maintained or stored as a part of the database, shall be retained for five years. Such information and records shall then be destroyed unless a law enforcement entity or an entity charged with administrative oversight of those persons engaged in the prescribing or dispensing of scheduled substances and drugs of concern has submitted a written request to the board for retention of specific information or records in accordance with procedures adopted by the board.
