(B) has successfully completed coursework in another jurisdiction that is substantially equivalent to that required by the rules and regulations adopted by the board;

(B) has passed the certification or licensing examination in another jurisdiction that has been approved by the board; and

(3) has paid an application fee required by the rules and regulations adopted by the board.

(b) (1) The board shall not grant a temporary attendant's certificate unless the applicant meets the following requirements:

(A) If the applicant is certified or licensed as an attendant in another jurisdiction, but the applicant's coursework is determined not to be substantially equivalent to that required by the board, such temporary certificate shall be valid for one year from the date of issuance or until the applicant has completed the required coursework, whichever occurs first; or

(B) if the applicant has completed the required coursework, has taken the required examination, but has not received the results of the examination, such temporary certificate shall be valid for 120 days from the date of the examination.

(2) An applicant who has been granted a temporary certificate shall be under the direct supervision of a physician, a physician's assistant, a professional nurse or an attendant holding a certificate at the same level or higher than that of the applicant.

(c) The board shall not grant an initial emergency medical technician-intermediate certificate, advanced emergency medical technician certificate, mobile intensive care technician certificate or paramedic certificate as a result of successful course completion in the state of Kansas, unless the applicant for such an initial certificate is certified as an emergency medical technician.

(d) An attendant's certificate shall expire on the date prescribed by the board. (g) The board shall adopt, through rules and regulations, a formal list of graduated sanctions for violations of article 61 of chapter 65 of the Kansas Statutes Annotated, and amendments thereto, which shall specify the number and severity of violations for the imposition of each level of sanction.
