

2012 Kansas Statutes

65-6130. Inspections; subpoenas of records; maintenance of records; personnel. The board may inquire into the operation of ambulance services and the conduct of attendants, and may conduct periodic inspections of facilities, communications services, materials and equipment at any time without notice. The board may issue subpoenas to compel an operator holding a permit to make access to or for the production of records regarding services performed and to furnish such other information as the board may require to carry out the provisions of this act to the same extent and subject to the same limitations as would apply if the subpoenas were issued or served in aid of a civil action in the district court. A copy of such records shall be kept in the operator's files for a period of not less than three years. The board also may require operators to submit lists of personnel employed and to notify the board of any changes in personnel or in ownership of the ambulance service.
