

2012 Kansas Statutes

68-170. Construction and improvement of roads and bridges on state owned lands; definitions. As used in this act, the term "state agency" means any state office or officer, department, board, commission, institution, or any agency or unit within any office, department or board, authorized to provide for the construction, improvement, reconstruction or maintenance of roads, streets or bridges on lands owned by the state or an agency thereof.

History: L. 1959, ch. 271, § 1; June 30.
