

2012 Kansas Statutes

68-409. Plans and specifications; display. Before advertising for bids for any contract as provided in the preceding section said secretary shall provide plans and specifications of the proposed work or improvement, which plans and specifications shall be displayed for the inspection of bidders at the office of such secretary and in the office of the county clerk in the county or counties where work is to be done at least fifteen days before the time for receiving bids.

History: L. 1929, ch. 225, § 10; L. 1975, ch. 427, §93; Aug. 15.
