

2012 Kansas Statutes

68-2206. Requirements as to screening. The secretary of transportation shall have the authority to adopt rules or regulations governing the location, planting, construction and maintenance, including the materials used in screening or fencing required by this act. Any plantings, fencing or other screening facilities located on public land or easements shall be public property.

History: L. 1967, ch. 357, § 6; L. 1975, ch. 426, §61; Aug. 15.
