

2012 Kansas Statutes

72-4159. Textbook purchase by nonpublic school pupils; definitions. As used in this act:

(a) "Accredited nonpublic schools in the district" means any accredited nonpublic school or schools that are located within a school district.

(b) "Textbooks" means regular adopted textbooks purchased by a school district for the use of pupils enrolled in the district.

(c) "Accredited" means accredited by the state board of education.

History: L. 1994, ch. 216, § 1; July 1.
