

2012 Kansas Statutes

72-4411. Purpose of act. It is the purpose and intention of this act to provide a means whereby the state in cooperation with school districts and postsecondary educational institutions can provide for career and technical education and for participation by this state in career and technical education programs authorized by federal career and technical education acts.

History: L. 1969, ch. 318, § 1; L. 1986, ch. 267, § 2; L. 2009, ch. 24, § 3; July 1.
