

2012 Kansas Statutes

72-6415. School facilities weighting. (a) The school facilities weighting of each district shall be determined in each school year in which such weighting may be assigned to enrollment of the district as follows:

(1) Determine the number of pupils, included in enrollment of the district, who are attending a new school facility;

(2) multiply the number of pupils determined under (1) by .25. The product is the school facilities weighting of the district.

(b) The provisions of this section shall take effect and be in force from and after July 1, 1992.

History: L. 1992, ch. 280, § 11; May 28.
