

2012 Kansas Statutes

74-3238. Transfer of powers, duties, functions, records and property. All of the powers, duties, functions, records and property of the existing state education commission including the power to administer, expend and distribute funds now or hereafter made available in accordance with appropriation acts are hereby transferred to and conferred and imposed upon the state board of regents, except as herein otherwise provided.

History: L. 1975, ch. 463, § 9; July 1.
