

2012 Kansas Statutes

74-4721. Same; annual report to legislature by department. The department shall develop and submit an annual report to the legislature which is informative as to:

- (a) The amount and value of the property insured;
- (b) the costs of such insurance;
- (c) losses incurred by state agencies segregated between insured and noninsured;
- (d) recommendations for changes in the property insurance program to enhance its value; and
- (e) such other information as the department of administration deems appropriate.

History: L. 1992, ch. 276, § 5; July 1.
