

2012 Kansas Statutes

74-49a01. Prior service credit for clerks of the district court in certain counties; condition.

Notwithstanding the provisions of K.S.A. 74-4913, any clerk of the district court of any county who first became a member of the Kansas public employees retirement system on January 1, 1968, by filing the appropriate election to become a member of said system as required by K.S.A. 74-4911(3) shall receive prior service credit for previous employment with any participating employer, whether or not continuous: *Provided*, That said clerk of the district court had been employed by the entry date employer for not less than fifteen (15) years.

History: L. 1968, ch. 129, § 1; July 1.
