

2012 Kansas Statutes

74-5338. Same; bond. On review, the only bond required shall be one running to the state, in an amount to be fixed by the court for the payment of the costs both before the board and in the district court. The bond shall be approved by the clerk of the district court. The giving of such bond shall not operate to stay the order of the board or restore the right of the psychologist to practice pending such review.
