

2012 Kansas Statutes

74-8958. Official state agency for purposes of federal acts and programs. Whenever the designation of a state agency is required by any federal act or program under which federal financial assistance is made available for housing or housing related purposes, the division of housing in the Kansas development finance authority shall serve as the officially designated state agency of Kansas and such division shall be responsible for exercising the powers and performing the functions and duties required of state agencies under such federal acts and programs.

History: L. 1990, ch. 327, § 2; L. 2003, ch. 154, § 36; July 1.
