

2012 Kansas Statutes

74-99b42. Purpose. The purpose of the bioscience development financing act is to foster the growth of bioscience in Kansas, to make Kansas a national leader in bioscience, and to make Kansas a desirable location for bioscience entities to locate and grow. In so doing, the Kansas bioscience development financing act will foster employment, encourage research and development, investment in real property and improvements, investment in equipment and supplies and lead to bioscience discoveries and products.
