

2012 Kansas Statutes

75-3044. State agency defined. As used in this act unless the context requires otherwise, "state agency" means any state office or officer, department, board, commission, institution, bureau, society or any agency, division or unit within any state office, department, board, commission or other state authority.

History: L. 1943, ch. 269, § 1; June 30.
