

2012 Kansas Statutes

75-5646. References to crippled and chronically ill children's program apply to services for children with special health care needs. Whenever the crippled and chronically ill children's program is referred to or designated by statute, contract or other document, such reference or designation shall be deemed to apply to services for children with special health care needs.

History: L. 1988, ch. 241, § 12; July 1.
