

2012 Kansas Statutes

76-764. Same; insurance. The state educational institution is authorized to carry insurance on the buildings and equipment and other property that is a part of such system and such other insurance as it determines to be in the best interest of such system. The insurance shall be acquired through the committee on surety bonds and insurance as provided by law.

History: L. 1985, ch. 296, § 4; April 25.
