

2012 Kansas Statutes

76-2043. Same; control and management under state historical society; rules and regulations; designation. Upon acquisition of the property as authorized by this act, the same shall be placed under the control and management of the state historical society and said society is authorized to do all things necessary to and consistent with the use of the same by the state as a place of unusual historical interest and may adopt and enforce rules and regulations relating to the use, preservation, improvement, control and maintenance thereof. Said area shall be known and designated as the Mine Creek Historical Park.

History: L. 1974, ch. 417, § 4; July 1.
