

2012 Kansas Statutes

77-205. Determination of death . An individual who has sustained either (1) irreversible cessation of circulatory and respiratory functions, or (2) irreversible cessation of all functions of the entire brain, including the brain stem, is dead. A determination of death must be made in accordance with accepted medical standards.

History: L. 1984, ch. 345, § 1; July 1.
