

2012 Kansas Statutes

82a-307a. Same; preliminary survey; approval of plan by state engineer. Before doing the work provided for in K.S.A. 82a-307 the board of county commissioners shall, by resolution, duly passed, adopt this act, and shall cause a survey to be made showing definitely the bank lines to which said stream is to be cleaned and maintained, obstructions to be removed and the mileage of the banks of such streams in that county, and shall submit to the division of water resources, Kansas department of agriculture, a map showing the bank lines so established to which it is proposed to clean and maintain the stream and showing obstructions which it is proposed to remove. Such plan shall have had the approval of the chief engineer of the division of water resources before the board is authorized to proceed with the work.
