Re: American Family Insurance's support for House Bill 2024

Mr. Chairman and Members:

American Family Insurance insures approximately thirteen percent of the homes in the state. We offer insurance products through some 200 appointed producers who reside throughout the state.

House Bill 2024 prohibits any a person from acting as a roofing contractor in the state without a valid registration certificate. The measure prohibits certain deceptive business practices and provides a violation of the act is an unconscionable act or practice under the Kansas consumer protection act.

House Bill 2024 serves the interests of consumers. We urge you to support it.

Thank you for the opportunity to provide this information to the Committee.
