

**WRITTEN TESTIMONY IN SUPPORT OF  
HOUSE BILL 2324 – PRO-LIFE HEARTBEAT PROTECTION BILL**

Chairman Arlen Siegfried and Committee Members  
House Federal and State Affairs Committee  
Kansas House of Representatives  
RE: HB 2324 – Pro-Life Heartbeat Protection Bill

Hon. Chair and Committee Members

I am the pastor of Calvary Bible Evangelical Free Church in Jewell, Kansas. I serve on the board of directors of Heart Choices Pregnancy Center in Beloit, Kansas. One of the core values of Heart Choices is the sanctity of human life. My conviction is that life begins at conception and must be protected. I sincerely appreciate your willingness to consider sending HB 2324 to the Full House for action and would like to submit this written testimony in support of this bill.

As you already know, this bill would prohibit abortion after a detectable heartbeat of the unborn child. This bill has been carefully crafted by experienced attorneys in the appellate courts, including a staff attorney with the American Center for Law and Justice. I believe it has a good chance of meeting any legal challenge.

Would you please support HB 2324 in committee and send it on to the full House for action.

Sincerely,

Wayne M. Feigal, Pastor

Jewell, KS
