

COMPANY OVERVIEW – THE EMPIRE DISTRICT ELECTRIC COMPANY

TO: Chairman Joe Seiwert
And Members of the House Utilities and Telecommunications Committee

FROM: Whitney Damron
On behalf of The Empire District Electric Company

RE: Corporate Profile of Empire

DATE: January 23, 2013

Chairman Seiwert and Members of the Committee:

On behalf of The Empire District Electric Company, I am pleased to provide the Committee with an overview of the company and its interests in Kansas and beyond.

Included with this cover letter is an informational sheet on Empire and its service territory map.

Empire is a Kansas corporation, headquartered in Joplin, Missouri. Of the approximately 215,000 customers the company serves in a 4-state area, approximately 10,000 are from Kansas and all are located in the extreme corner of southeast Kansas.

Empire utilizes a diversified fuel source, including coal, natural gas, wind and hydro. They own their own power generation plants, have partnerships with other utilities for larger power plants and have purchase power agreements with two wind farms in Kansas (Elk River in Butler County and Meridian Way in Cloud County).
