VISION 2020

Testimony to Senate Taxation Committee  
March 18, 2013  
SB 231

Chairman Donovan and Members of the Senate Taxation Committee:

I am appearing before you today to give strong support to Senator King's request to add Neosho County to the list of new Rural Opportunity Zones. Neosho County does indeed share much with Bourbon and Allen counties and we would request that Neosho county be included in this new opportunity.

Thank you for your consideration of this request.
