The Honorable Richard Carlson, Chairperson
House Committee on Taxation
Statehouse, Room 285-N
Topeka, Kansas 66612

Dear Representative Carlson:

SUBJECT: Fiscal Note for HB 2214 by House Committee on Taxation

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2214 is respectfully submitted to your committee.

HB 2214 would allow a non-refundable income tax credit for expenses for household and dependent care services necessary for gainful employment. The state tax credit would be 25.0 percent of the credit claimed against the taxpayer's federal income tax liability under Section 21 of the federal Internal Revenue Code, which authorizes the federal child and dependent care tax credit. The bill requires any taxpayer claiming the credit to provide a valid Social Security number. The credit would take effect beginning in tax year 2013. The bill would reauthorize this tax credit which was eliminated in the major income tax reduction bill of the 2012 Legislative Session (HB 2117).

The Department of Revenue estimates that HB 2214 would decrease State General Fund revenues by \$9.1 million in FY 2014 and in each future fiscal year. The decrease in revenues and how the November 6, 2012 consensus revenue estimate for FY 2014 would be affected are shown in the following table:

The fiscal effect to state revenues during subsequent years would be as follows:

	<u>FY 2015</u>	<u>FY 2016</u>	<u>FY 2017</u>	<u>FY 2018</u>
State General Fund	(\$9,100,000)	(\$9,100,000)	(\$9,100,000)	(\$9,100,000)

To formulate these estimates, the Department of Revenue reviewed data on the child and dependent care tax credit. The Department indicates that 66,882 Kansas taxpayers claimed \$9.1 million in state child and dependent care tax credits in tax year 2011. The Department of Revenue indicates the costs associated with implementing the bill would be negligible and could be absorbed within existing resources.

The Kansas Department for Aging and Disability Services (KDADS) indicates the bill would have no fiscal effect on its operations. However, the bill has the potential to provide
