

74-5315. Licensure of doctoral level psychologist registered, certified or licensed in another state. (a) The board may grant a license to any person who, at the time of application, is registered, certified or licensed as a psychologist at the doctoral level in another jurisdiction if the board determines that:

(1) The requirements of such jurisdiction for such certification or licensure are substantially the equivalent of the requirements of this state; or

(2) the applicant demonstrates on forms provided by the board compliance with the following standards as adopted by the board:

(A) Continuous registration, certification or licensure as a psychologist at the doctoral level during the five years immediately preceding the application with at least the minimum professional experience as established by rules and regulations of the board;

(B) the absence of disciplinary actions of a serious nature brought by a registration, certification or licensing board or agency; and

(C) a doctoral degree in psychology from a regionally accredited university or college.

(b) An applicant for a license under this section shall pay an application fee established by the board under K.S.A. 74-5310, and amendments thereto.
