We pray for Your guidance for all civic leaders, and especially for our legislators; pour forth Your Spirit upon them that they may discern wisely and legislate justly protecting the dignity of each human person and promoting the common good of all.

We pray for Your blessings for all the citizens of our state. May we be inspired to work for the welfare of each other with an awareness of our common responsibility for the good of the earth and the good of our world. We remember in a special way those who are hurting, those who are marginalized, those who struggle to provide the basics for a dignified human life. May we put aside personal agendas and partisan concerns in order to work together for the common good of our state and all of our fellow citizens.

Lord, we pray that You bless us this day and guide us that the workings of this legislative body may truly enhance the welfare of our state and promote and safeguard the wellbeing of all. May Your blessings be with us this day and always, now and forever. Amen.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Swanson are spread upon the Journal:

The definition of teamwork: joint action by a group of people, in which individual interests are subordinate to group unity and efficiency; coordinated effort, as of an athletic team.

Skills for Good Teamwork

- Respect for individual contributions
- Putting aside individual glory
- Consensus building
- Clear communication
- Persuasive speech
- Compromise

This was the formula the Clay Center Community High School coaches and players embraced and it led to the big prize, the 2016 State 4A, Division II, Girls Basketball Championship this March.

I was only able to watch the CCHS Lady Tigers play three games, two sub-state games in Clay Center and the first game of the State Tournament in Emporia. Each contest was the epitome of teamwork--no stand out, no hero, just a group of girls dedicated to an efficient, coordinated effort. The result was the first Girls State Championship in school history.

You may remember that I had the honor of introducing the Lady Tigers Volleyball State Champs last year and the formula for success for this group of girls was the same: athletes who are willing to put in the work, who like and respect each other and strive to achieve on the court and in the classroom. The cumulative grade point average of the Lady Tigers Basketball team is a 3.74.

With us today are coaches Jeff Edwards, Nicole Johnson (formerly known as Nicole Ohlde), and Mike Beying and players Savannah Kipfer, Jennessa Wickersham, Hailey Franson, Allie Wright-Frederick, Addy Mullin, Lauren Lane, Megan Robbins, Katelyn Bohnenblust, Brianna Wilson, Courtney Hammel, Sydney Callaway, Erin Hammel, Emma Smith and Zoe Auld.

Please join me in congratulating these outstanding young women and their coaches.

Rep. Swanson presented the team with a framed House certificate.

On the way to the championship they took second in Northwest Kansas League, both during the regular season and league tournament. The team finished the year with a record of 16-3. All three of their losses were to Hoxie, the team we recognized in this chamber last year for having a win streak of 100 games.

Team members are: Seniors: Kiara Budd, Dakota Hoffman, Payden Shapland, and

Morgan Tucker. Juniors: Jordan Speer and Sara Cramer Sophomores: Mallory Dowell and Balinda Conine

Please join me in congratulating the team on their accomplishments.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Whipple are spread upon the Journal:

Members, friends and colleagues... In my experience serving in the Kansas Legislature there have been few consistencies. One thing that has been very consistent is the academic and athletic excellence from the only high school located in the 96th district, Wichita South High.

This year, for a fourth year in a row, I have the honor to present the Wichita South Lady Titan Basketball team. For a fourth year in a row, the Lady Titans are the 6A State Champions. They are the first team in Kansas history to capture four 6A State Championship titles.

In addition, this team went undefeated in an impressive 25-0 season. The team is lead by Head Coach Scales who in the past five years holds an outstanding record of 115 wins and only 13 losses.

The lady titans have also won four consecutive Greater Wichita Athletic Association league titles, Four consecutive mid-season tournament titles, and won the Firebird Winter Classic at Free State tournament Champions. This team reached a national

ranking of number 19 in the country as well.

Each of the five seniors on this team have been offered scholarships to further their education at the next level. Demonstrating success in the classroom as well, The team also holds an impressive combined overall GPA of 3.25

Ladies, you continue to represent the very best of our community. The lessons learned and continued success on the court will no doubt lead you to success in your future professional lives. Thank you for being such a source of pride for our South Wichita community. Today it is a pleasure to recognize your success on the House floor.

There being no objection, the following remarks of Rep. Davis are spread upon the Journal:

Today as we recognize KU's 150th year, there are many accomplishments and accolades we can celebrate. For example, we can celebrate that since its founding, the University of Kansas has accepted all races and genders. We can celebrate that the University of Kansas is the only Kansas university to boast both schools of medicine and law, both of which are among the best in the nation. We can celebrate the university's school of Music, producing many renowned performers, prodigies and scholars. We can celebrate the University's engineering and business schools, which are second to none. We can celebrate the beautiful Mount Oread where the main campus has been since the University's founding. And, we can certainly also celebrate the inventor of basketball, James Naismith, and his bringing the game first to KU, thus beginning a tradition that has touched the lives of so many Kansans.

These are just a few examples of why we celebrate the University of Kansas today, and these accomplishments should be celebrated. But most of all today, I want to celebrate the University of Kansas for what the school means to me and to so many Kansans and alumni. I celebrate the tradition of taking my kids to the pre-season basketball Late Night. I celebrate the tradition of walking through the World War II Memorial Campanile and then down the Hill to Memorial Stadium for commencement. I celebrate the tradition of Waving the Wheat after witnessing a Jayhawk win in Allen Fieldhouse. I celebrate the Rock Chalk Chant, the words of which were among the first my children spoke. I celebrate the University's scholars and students, the professors and student athletes. I celebrate all these things and many more which make the University of Kansas more than just my alma mater, but part of my life and family tradition. Most of all, I celebrate the University of Kansas because I am a Kansan and I am a Jayhawk. Rock Chalk!

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Merrick are spread upon the Journal:

Even though you may not recognize my guest, Bob Davis, you've almost certainly heard his voice. It was broadcast across Kansas and around the world for over thirty years.

Bob started his broadcasting career in Hays, Kansas. He brought KU basketball and football games to many, many people. He has won fourteen Kansas sportscaster of the year awards, ten while at the University of Kansas.

Over his career, Bob called more than 1,660 men's basketball games, eight final four appearances and two national championships. He hosted "Hawk Talk" a weekly show featuring KU coaches, and also called baseball games of the Royals for sixteen years.

Bob and I first met when we worked at Ray Beers, "The place to go for for the brands you know." Now he is retiring to spend more time with his family, wife, Linda; son, Steven; daughter-in-law, Katie; two grandsons, Landon and Will and granddaughter, Millie.

For many Kansans, Bob is a member of the family. To me, he is my little brother.

We are sure going to miss his voice on the radio. We are so grateful that he shared his talents with us. Bob, we wish you the best. Thank you for many happy memories.

And happy "Bob Davis Day."

Rep. Merrick presented Mr. Davis with a framed House certificate.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Todd, **HR 6058**, A RESOLUTION supporting Taiwan's participation in international trade agreements and international organizations and reaffirming Kansas' commitment to its relationship with Taiwan, was adopted.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Todd are spread upon the Journal:

Taiwan is an important partner of Kansas. It is a major market for Kansas wheat, corn, and beef. While it is a dynamic country with a strong economy, it is geographically small without enough arable land to produce all of the food needed to support their population.

That is why just last year a delegation of flour millers from Taiwan signed a letter of intent to purchase 62.5 million bushels of wheat, a deal when it was signed worth \$544 million.

Taiwan has other business ties with Kansas. Garmin was co-founded by a Taiwanese national, Min Kao. It has its primary production facility in the Xizhi District of New Tapei City.

Domestically, Taiwan is celebrating the election in January of its first female President, Tsai Ing-Wen.

With us today we have Jerry Chang from the Tapei Economic and Cultural Office, located in Denver. He has served his country for 23 year in countries around the world. Please join me in welcoming Mr. Chang to Kansas.

In addition, such application shall provide a place for the applicant to certify that the vehicle for which the application for salvage title is made is a salvage vehicle, and other provisions the director deems necessary. Each application for a salvage title shall be accompanied by a fee of \$10 and if the application is not made to the county treasurer within the time prescribed by K.S.A. 8-135, and amendments thereto, for making application for a certificate of title thereunder, an additional fee of \$2.

This section shall be interpreted and applied in accordance with federal law. No eligible applicant whose qualifications have been assessed shall be denied registration.

(c) Any person who applies for registration through a voter registration agency shall be provided with, in addition to the application under subsection (b), a form which includes:

(d) If any person, in writing, declines to register to vote, the voter registration agency shall maintain the form prescribed by subsection (c).

Upon receipt of such a request, the county election officer

shall take appropriate steps to ensure that such person's residence address is not publicly disclosed. (j) No application for voter registration shall be made available for public inspection or copying unless the information required by ~~paragraph (5)~~ of subsection (b) (5) has been removed or otherwise rendered unreadable.

(4) the applicant's United States naturalization documents or the number of the certificate of naturalization. If only the number of the certificate of naturalization is provided, the applicant shall not be included in the registration rolls until the number of the certificate of naturalization is verified with the United States bureau of citizenship and immigration services by the county election officer or the secretary of state, pursuant to 8 U.S.C. § 1373(c);

(13) an extract from a United States hospital record of birth created at the time of the applicant's birth indicating the applicant's place of birth in the United States.

(m) If an applicant is a United States citizen but does not have any of the documentation listed in this section as satisfactory evidence of United States citizenship, such applicant may submit any evidence that such applicant believes demonstrates the applicant's United States citizenship.

(1) Any applicant seeking an assessment of evidence under this subsection may directly contact the elections division of the secretary of state by submitting a voter registration application or form as described by this section and any supporting evidence of United States citizenship. Upon receipt of this information, the secretary of state shall notify the state election board, as established under K.S.A. 25-2203, and amendments thereto, that such application is pending.

(2) The state election board shall give the applicant an opportunity for a hearing and an opportunity to present any additional evidence to the state election board. (4) If an applicant submits an application and any supporting evidence prior to the close of registration for an election cycle, a determination by the state election board shall be issued at least five days before such election date.

(5) If the state election board finds that the evidence presented by such applicant constitutes satisfactory evidence of United States citizenship, such applicant will have met the requirements under this section to provide satisfactory evidence of United States citizenship.

(6) If the state election board finds that the evidence presented by an applicant does not constitute satisfactory evidence of United States citizenship, such applicant shall have the right to appeal such determination by the state election board by instituting an action under 8 U.S.C. § 1503. Any negative assessment of an applicant's eligibility by the state election board shall be reversed if the applicant obtains a declaratory judgment pursuant to 8 U.S.C. § 1503, demonstrating that such applicant is a national of the United States.

(n) Any person who is registered in this state on the effective date of this

amendment to this section is deemed to have provided satisfactory evidence of citizenship and shall not be required to resubmit evidence of citizenship.

(o) For purposes of this section, proof of voter registration from another state is not satisfactory evidence of United States citizenship.

(p) A registered Kansas voter who moves from one residence to another within the state of Kansas or who modifies such voter's registration records for any other reason shall not be required to submit evidence of United States citizenship.

~~(u) The proof of citizenship requirements of this section shall not become effective until January 1, 2013.~~

Sec. 11. K.S.A. 2015 Supp. 45-229 is hereby amended to read as follows: 45-229.

(a) It is the intent of the legislature that exceptions to disclosure under the open records act shall be created or maintained only if:

- (1) The public record is of a sensitive or personal nature concerning individuals;
- (2) the public record is necessary for the effective and efficient administration of a governmental program; or
- (3) the public record affects confidential information.

The maintenance or creation of an exception to disclosure must be compelled as measured by these criteria. Further, the legislature finds that the public has a right to have access to public records unless the criteria in this section for restricting such access to a public record are met and the criteria are considered during legislative review in connection with the particular exception to disclosure to be significant enough to override the strong public policy of open government. To strengthen the policy of open government, the legislature shall consider the criteria in this section before enacting an exception to disclosure.

(b) Subject to the provisions of subsections (g) and (h), any new exception to disclosure or substantial amendment of an existing exception shall expire on July 1 of the fifth year after enactment of the new exception or substantial amendment, unless the legislature acts to continue the exception. A law that enacts a new exception or substantially amends an existing exception shall state that the exception expires at the end of five years and that the exception shall be reviewed by the legislature before the scheduled date.

(c) For purposes of this section, an exception is substantially amended if the amendment expands the scope of the exception to include more records or information. An exception is not substantially amended if the amendment narrows the scope of the exception.

(d) This section is not intended to repeal an exception that has been amended following legislative review before the scheduled repeal of the exception if the exception is not substantially amended as a result of the review.

(e) In the year before the expiration of an exception, the revisor of statutes shall certify to the president of the senate and the speaker of the house of representatives, by

July 15, the language and statutory citation of each exception which will expire in the following year which meets the criteria of an exception as defined in this section. Any exception that is not identified and certified to the president of the senate and the speaker of the house of representatives is not subject to legislative review and shall not expire. If the revisor of statutes fails to certify an exception that the revisor subsequently determines should have been certified, the revisor shall include the exception in the following year's certification after that determination.

(f) "Exception" means any provision of law which creates an exception to disclosure or limits disclosure under the open records act pursuant to K.S.A. 45-221, and amendments thereto, or pursuant to any other provision of law.

(g) A provision of law which creates or amends an exception to disclosure under the open records law shall not be subject to review and expiration under this act if such provision:

- (1) Is required by federal law;
- (2) applies solely to the legislature or to the state court system;
- (3) has been reviewed and continued in existence twice by the legislature; or
- (4) has been reviewed and continued in existence by the legislature during the 2013 legislative session and thereafter.

(h) (1) The legislature shall review the exception before its scheduled expiration and consider as part of the review process the following:

- (A) What specific records are affected by the exception;
- (B) whom does the exception uniquely affect, as opposed to the general public;
- (C) what is the identifiable public purpose or goal of the exception;
- (D) whether the information contained in the records may be obtained readily by alternative means and how it may be obtained;

(2) an exception may be created or maintained only if it serves an identifiable public purpose and may be no broader than is necessary to meet the public purpose it serves. An identifiable public purpose is served if the legislature finds that the purpose is sufficiently compelling to override the strong public policy of open government and cannot be accomplished without the exception and if the exception:

(A) Allows the effective and efficient administration of a governmental program, which administration would be significantly impaired without the exception;

(B) protects information of a sensitive personal nature concerning individuals, the release of which information would be defamatory to such individuals or cause unwarranted damage to the good name or reputation of such individuals or would jeopardize the safety of such individuals. Only information that would identify the individuals may be excepted under this paragraph; or

CONFERENCE COMMITTEE REPORT

MADAM PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to **SB 319** submits the following report:

The Senate accedes to all House amendments to the bill, and your committee on

conference further agrees to amend the bill as printed with House Committee amendments, as follows:

On page 1, following line 5, by inserting:

"New Section 1. (a) This section shall be known and may be cited as the public speech protection act.

(b) The purpose of the public speech protection act is to encourage and safeguard the constitutional rights of a person to petition, and speak freely and associate freely, in connection with a public issue or issue of public interest to the maximum extent permitted by law while, at the same time, protecting the rights of a person to file meritorious lawsuits for demonstrable injury.

(c) As used in the public speech protection act:

(1) "Claim" means any lawsuit, cause of action, claim, cross-claim, counterclaim or other judicial pleading or filing requesting relief.

(2) "Communication" means the making or submitting of a statement or document in any form or medium, including oral, visual, written or electronic.

(3) "Exercise of the right of association" means a communication between individuals who join together to collectively express, promote, pursue or defend common interests.

(4) "Exercise of the right of free speech" means a communication made in connection with a public issue or issue of public interest.

(5) "Exercise of the right to petition" means any of the following:

(A) A communication in or pertaining to:

(i) A judicial proceeding;

(ii) an official proceeding, other than a judicial proceeding, to administer the law;

(iii) an executive or other proceeding before a department of the state, federal government, or other political subdivision of the state;

(iv) a legislative proceeding, including a proceeding of a legislative committee;

(v) a proceeding before an entity that requires by rule that public notice be given before proceedings of such entity;

(vi) a proceeding in or before a managing board of an educational institution supported directly or indirectly from public revenue;

(vii) a proceeding of the governing body of any political subdivision of this state;

(viii) a report of or debate and statements made in a proceeding described by subsection (c)(5)(A)(iii), (iv), (v), (vi) or (vii); or

(ix) a public meeting dealing with a public purpose, including statements and discussions at the meeting or other public issues or issues of public interest occurring at the meeting;

(B) a communication in connection with an issue under consideration or review by a legislative, executive, judicial or other governmental or official proceeding;

(C) a communication that is reasonably likely to encourage consideration or review of an issue by a legislative, executive, judicial or other governmental or official proceeding;

(D) a communication reasonably likely to enlist public participation in an effort to effect consideration of an issue by a legislative, executive, judicial or other governmental or official proceeding; and

(E) any other communication or conduct that falls within the protection of the right to petition the government under the constitution of the United States or the constitution

of the state of Kansas.

(6) "Governmental proceeding" means a proceeding, other than a judicial proceeding, by an officer, official or body or political subdivision of this state, including a board or commission, or by an officer, official or body of the federal government.

(7) "Public issue or issue of public interest" includes an issue related to:

(A) Health or safety;

(B) environmental, economic or community well-being;

(C) the government;

(D) a public official or public figure; or

(E) a good, product or service in the marketplace.

(8) "Moving party" means any person on whose behalf the motion to strike is filed seeking to strike a claim.

(9) "Official proceeding" means any type of administrative, executive, legislative or judicial proceeding that may be conducted before a public servant.

(10) "Public servant" means a person elected, selected, appointed, employed or otherwise designated as one of the following, even if the person has not yet qualified for office or assumed the person's duties:

(A) An officer, employee or agent of government;

(B) a juror;

(C) an arbitrator, mediator or other person who is authorized by law or private written agreement to hear or determine a cause or controversy;

(D) an attorney or notary public when participating in the performance of a governmental function; or

(E) a person who is performing a governmental function under a claim of right but is not legally qualified to do so.

(d) A party may bring a motion to strike the claim if a claim is based on, relates to or is in response to a party's exercise of the right of free speech, right to petition or right of association. A party bringing the motion to strike has the initial burden of making a prima facie case showing the claim against which the motion is based concerns a party's exercise of the right of free speech, right to petition or right of association. If the moving party meets the burden, the burden shifts to the responding party to establish a likelihood of prevailing on the claim by presenting substantial competent evidence to support a prima facie case. If the responding party meets the burden, the court shall deny the motion. In making its determination, the court shall consider pleadings and supporting and opposing affidavits stating the facts upon which the liability or defense is based. If the court determines the responding party established a likelihood of prevailing on the claim: (1) The fact that the court made that determination and the substance of the determination may not be admitted into evidence later in the case; and (2) the determination does not affect the burden or standard of proof in the proceeding. The motion to strike made under this subsection may be filed within 60 days of the service of the most recent complaint or, in the court's discretion, at any later time upon terms it deems proper. A hearing shall be held on the motion not more than 30 days after the service of the motion.

(e) (1) On a motion by a party or on the court's own motion and on a showing of good cause, the court may allow specified and limited discovery relevant to the motion.

(2) Except as provided by subsection (e)(1), all discovery, motions or other pending hearings shall be stayed upon the filing of the motion to strike. The stay of discovery

shall remain in effect until the entry of the order ruling on the motion except that the court, on motion and for good cause shown, may order that specified discovery, motions or other pending hearings be conducted.

(f) The movant in a motion to strike has the right to: (1) Petition for a writ of mandamus if the trial court fails to rule on the motion in an expedited fashion; or (2) file an interlocutory appeal from a trial court order denying the motion to strike, if notice of appeal is filed within 14 days after entry of such order. However, under subsections (f) (1) and (2), further proceedings in the trial court shall be stayed pending determination of the appeal.

(g) The court shall award the defending party, upon a determination that the moving party has prevailed on its motion to strike, without regard to any limits under state law: (1) Costs of litigation and reasonable attorney fees; and (2) such additional relief, including sanctions upon the responding party and its attorneys and law firms, as the court determines necessary to deter repetition of the conduct by others similarly situated. If the court finds that the motion to strike is frivolous or solely intended to cause delay, the court shall award to the responding party reasonable attorney fees and costs related to the motion.

(h) This section does not apply to:

(1) An enforcement action that is brought in the name of this state or a political subdivision of this state by the attorney general or a district or county attorney;

(2) a claim brought against a person primarily engaged in the business of selling or leasing goods or services, if the statement or conduct arises out of the sale or lease of goods, services or an insurance product, insurance services or a commercial transaction in which the intended audience is an actual or potential buyer or customer, except as provided in subsection (i); or

(3) a claim brought under the Kansas insurance code or arising out of an insurance contract.

(i) Subsection (h)(2) shall not apply to any action against any person or entity based upon the creation, dissemination, exhibition, advertisement or other similar promotion of any dramatic, literary, musical, political or artistic work, including, but not limited to, a motion picture or television program, or an article published in a newspaper or magazine of general circulation.

(j) In any case filed by a government contractor that is found by a court to be in violation of this section, the court shall provide for its ruling to be sent to the head of the relevant governmental entity doing business with the contractor.

(k) The provisions of the public speech protection act shall be applied and construed liberally to effectuate its general purposes. If any provision of the public speech protection act or its application is held invalid, the invalidity does not affect other provisions or applications that can be given effect without the invalid provision or application.

Sec. 2. K.S.A. 60-1507 is hereby amended to read as follows: 60-1507. (a) *Motion attacking sentence*. A prisoner in custody under sentence of a court of general jurisdiction claiming the right to be released upon the ground that the sentence was imposed in violation of the constitution or laws of the United States, or the constitution or laws of the state of Kansas, or that the court was without jurisdiction to impose such sentence, or that the sentence was in excess of the maximum authorized by law, or is otherwise subject to collateral attack, may, pursuant to the time limitations imposed by

subsection (f), move the court which imposed the sentence to vacate, set aside or correct the sentence.

(b) *Hearing and judgment.* Unless the motion and the files and records of the case conclusively show that the prisoner is entitled to no relief, the court shall cause notice thereof to be served upon the county attorney, grant a prompt hearing thereon, determine the issues and make findings of fact and conclusions of law with respect thereto. The court may entertain and determine such motion without requiring the production of the prisoner at the hearing. If the court finds that the judgment was rendered without jurisdiction, or that the sentence imposed was not authorized by law or is otherwise open to collateral attack, or that there has been such a denial or infringement of the constitutional rights of the prisoner as to render the judgment vulnerable to collateral attack, the court shall vacate and set the judgment aside and shall discharge the prisoner or resentence said prisoner or grant a new trial or correct the sentence as may appear appropriate.

(c) *Successive motions.* The sentencing court shall not be required to entertain a second or successive motion for similar relief on behalf of the same prisoner.

(d) *Appeal.* An appeal may be taken to the appellate court as provided by law from the order entered on the motion as from a final judgment on application for a writ of habeas corpus.

(e) *Exclusiveness of remedy.* An application for a writ of habeas corpus in behalf of a prisoner who is authorized to apply for relief by motion pursuant to this section, shall not be entertained if it appears that the applicant has failed to apply for relief, by motion, to the court which sentenced said applicant, or that such court has denied said applicant relief, unless it also appears that the remedy by motion is inadequate or ineffective to test the legality of said applicant's detention.

(f) *Time limitations.* (1) Any action under this section must be brought within one year of:

~~(i)(A)~~ The final order of the last appellate court in this state to exercise jurisdiction on a direct appeal or the termination of such appellate jurisdiction; or

~~(ii)(B)~~ the denial of a petition for writ of certiorari to the United States supreme court or issuance of such court's final order following granting such petition.

(2) The time limitation herein may be extended by the court only to prevent a manifest injustice.

(A) For purposes of finding manifest injustice under this section, the court's inquiry shall be limited to determining why the prisoner failed to file the motion within the one-year time limitation or whether the prisoner makes a colorable claim of actual innocence. As used herein, the term actual innocence requires the prisoner to show it is more likely than not that no reasonable juror would have convicted the prisoner in light of new evidence.

(B) If the court makes a manifest-injustice finding, it must state the factual and legal basis for such finding in writing with service to the parties.

(3) If the court, upon its own inspection of the motions, files and records of the case, determines the time limitations under this section have been exceeded and that the dismissal of the motion would not equate with manifest injustice, the district court must dismiss the motion as untimely filed.

Sec. 3. K.S.A. 60-31a02 is hereby amended to read as follows: 60-31a02. As used in the protection from stalking act:

(a) "Stalking" means an intentional harassment of another person that places the other person in reasonable fear for that person's safety.

(b) "Harassment" means a knowing and intentional course of conduct directed at a specific person that seriously alarms, annoys, torments or terrorizes the person, and that serves no legitimate purpose. "Harassment" shall include any course of conduct carried out through the use of an unmanned aerial system over or near any dwelling, occupied vehicle or other place where one may reasonably expect to be safe from uninvited intrusion or surveillance.

(c) "Course of conduct" means conduct consisting of two or more separate acts over a period of time, however short, evidencing a continuity of purpose which would cause a reasonable person to suffer substantial emotional distress. Constitutionally protected activity is not included within the meaning of "course of conduct."

(d) "Unmanned aerial system" means a powered, aerial vehicle that:

(1) Does not carry a human operator;

(2) uses aerodynamic forces to provide vehicle lift;

(3) may fly autonomously or be piloted remotely;

(4) may be expendable or recoverable; and

(5) may carry a lethal or nonlethal payload.";

And by renumbering sections accordingly;

Also on page 1, in line 13, after "K.S.A." by inserting "60-1507, 60-31a02 and"; also in line 13, by striking "is" and inserting "are"; in line 15, by striking "Kansas register" and inserting "statute book";

On page 1, in the title, in line 1, by striking "for limited actions"; also in line 1, after the semicolon by inserting "enacting the public speech protection act;"; also in line 1, after "to" by inserting "habeas corpus; the protection from stalking act;"; in line 2, after "K.S.A." by inserting "60-1507, 60-31a02 and"; in line 3, by striking "section" and inserting "sections";

(a) Whenever any person providing wrecker or towing service, as defined by law, while lawfully in possession of a vehicle, at the direction of a law enforcement officer or the owner or as provided by a city ordinance or county resolution, renders any service to the owner thereof by the recovery, transportation, protection, storage or safekeeping thereof, a first and prior lien on the vehicle is hereby created in favor of such person rendering such service and the lien shall amount to the full amount and value of the service rendered. The lien may be foreclosed in the manner provided in this act. If the name of the owner of the vehicle is known to the person in possession of such vehicle, then within 15 days, notice shall be given to the owner that the vehicle is being held subject to satisfaction of the lien. Any personal property within the vehicle need not be released to the owner thereof until the reasonable or agreed charges for such recovery, transportation or safekeeping have been paid, or satisfactory arrangements for payment have been made, except as provided under subsection (c) or for personal medical supplies which shall be released to the owner thereof upon request. The person in possession of such vehicle and personal property shall be responsible only for the reasonable care of such property. Any personal property within the vehicle not returned to the owner shall be sold at the auction authorized by this act.

(b) At the time of providing wrecker or towing service, any person providing such wrecker or towing service shall give written notice to the driver, if available, of the vehicle being towed that a fee will be charged for storage of such vehicle. Failure to give such written notice shall invalidate any lien established for such storage fee.

(c) A city ordinance or county resolution authorizing the towing of vehicles from private property shall specify in such ordinance or resolution: (1) The maximum rate such wrecker or towing service may charge for such wrecker or towing service and storage fees; (2) that an owner of a vehicle towed shall have access to personal property in such vehicle for 48 hours after such vehicle has been towed and such personal property shall be released to the owner; and (3) that the wrecker or towing service shall report the location of such vehicle to local law enforcement within two hours of such tow.

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on **S Sub for HB 2008**. Protecting the lucrative and sought after data of our students and children is a necessity, and I absolutely support it, however this bill fails. A more solid attempt should've been produced prior to voting, including use of specific national security standards, detailed auditing frequency and resulting reports, detailed deletion instruction and timelines, and the complete prohibition of marketing, including profit-producing product-cross-marketing, to students. This bill needs intense amending in the upcoming session to actually protect student data privacy. – KASHA KELLEY, JOSEPH SCAPA
