The Honorable John Barker, Chairperson
House Committee on Judiciary
Statehouse, Room 149-S
Topeka, Kansas 66612

Dear Representative Barker:

SUBJECT: Fiscal Note for HB 2062 by House Committee on Appropriations

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2062 is respectfully submitted to your committee.

HB 2062 would expand the crime of breach of privacy by adding the act of knowingly and without lawful authority disseminating or permitting the dissemination of any videotape, film, photograph or image of another person who is nude or in a state of undress with the intent to invade the privacy of the person and without consent of the person. This new provision would also be incorporated into the crime of blackmail.

According to the Kansas Sentencing Commission, HB 2062 would have a negligible effect on prison admissions, prison beds, and the workload of the agency. The Office of Judicial Administration indicates that the bill would have no fiscal effect on the Judicial Branch.

Sincerely,

Shawn Sullivan,
Director of the Budget
