The system board shall consist of one or more 8 representatives selected by each of the boards participating in the regional 9 system, and one or more representatives appointed by the governor board 10 of county commissioners of each county which is part of the regional 11 system to represent territory not within the district of participating library 12 board but within the territory of the regional system of cooperating 13 libraries. The petition provided for in K.S.A. 75-2549, and amendments 14 thereto, may propose the number of representatives of each such board, but 15 the determination thereof shall be made by the state board when approving 16 such petition. The state board shall consider any petition presented to it as provided in this act and if it approves such petition it shall adopt a 17 18 resolution officially designating such particular regional system of 19 cooperating libraries and describing the territory thereof which shall 20 include one or more counties but shall exclude the territory of any taxing 21 district which regularly levies 0.25 or more mills of tax for the support of a 22 public library upon the request of the governing body of the district 23 making such levy. 7 Any taxing district which regularly levies 0.25 mill or more of tax for 8 the support of a public library, and which taxing district has been included 9 in a regional system, may petition to be excluded from the regional 10 system.
