1 emergency, as defined by K.S.A. 9-1122, and amendments thereto, exists
2 or is impending in this state which affects, or may affect, a particular bank,

39 currencies, interest or other rates, indices or other assets.

40 (b) *General lending limit rule.* Subject to the provisions in
41 *subsections* (d), (e) and (f), loans to one borrower, including any bank
42 officer or employee, shall not exceed 25% of a bank's capital.

43 (c) *Calculation of the lending limit.* (1) The bank's lending limit shall

1 be calculated on the date the loan or written commitment is made. The
2 renewal or refinancing of a loan shall not constitute a new lending limit
3 calculation date unless new funds are advanced.

4 (2) If the bank's lending limit increases subsequent to the origination
5 date, a bank may use the current lending limit to determine compliance
6 when advancing funds. An advance of funds includes the lending of
7 money or the repurchase of any portion of a participation.

8 (3) If the bank's lending limit decreases subsequent to the origination
9 date, a bank is not prohibited from advancing on a prior commitment that
10 was legal on the date the commitment was made.

34 States government securities with the lending bank.

35 (e) *Special rules. (1)* The total liability of any borrower may exceed
36 the general 25% limit by up to an additional 10% of the bank's capital. To
37 qualify for this expanded limit:

38 (A) The bank shall have as collateral a *recorded* first lien or liens on
39 real estate securing a portion of the *borrower's total* liability equal to at
40 least the amount by which the total liability exceeds the 25% limit;

41 (B) ~~the amount of the recorded lien or liens shall equal at least the~~
42 ~~amount of the excess liability;~~

43 (C) ~~the appraised value of the real estate shall equal at least twice the~~

1 amount of the excess liability by which the borrower's total liability
2 exceeds the 25% limit; and

3 ~~(D)~~ (C) a portion of the ~~loan~~ borrower's total liability, equal to at
4 least the excess liability amount by which the total liability exceeds the
5 25% limit, shall ~~have~~ amortize within 20 years by regularly scheduled
6 installment payments sufficient to amortize that portion within 20 years.

7 (2) That portion of any loan endorsed or guaranteed by a borrower
8 will not be added to that borrower's liability until the endorsed or
9 guaranteed loan is past due 10 days.

10 (3) If the total liability of any ~~active bank officer~~ *shareholder owning*
11 *25% or more of any class of voting shares, officers or directors* will
12 exceed \$50,000, prior approval from the bank's board of directors shall be
13 noted in the minutes.

14 (4) To the extent they are insured by the federal deposit insurance
15 corporation, time deposits purchased by a bank from another financial
16 institution shall not be considered a loan to that financial institution and
17 shall not be subject to the bank's lending limit.

18 (5) Third-party paper purchased by the bank will not be considered a
19 loan to the seller unless and until the bank has the right under the
20 agreement to require the seller to repurchase the paper.

21 (f) *Combination rules.*

22 (1) *General rule.* Loans to one borrower will be attributed to another
23 borrower and their total liability will be combined:

24 (A) When proceeds of a loan are to be used for the direct benefit of
25 the other borrower, to the extent of the proceeds so used; or

26 (B) when a common enterprise is deemed to exist between the
27 borrowers.

28 (2) *Direct benefit.* The proceeds of a loan to a borrower will be
29 deemed to be used for the direct benefit of another person and will be
30 attributed to the other person when the proceeds, or assets purchased with
31 the proceeds, are transferred to another person, other than in a bona fide
32 arm's length transaction where the proceeds are used to acquire property,
33 goods or services.

34 (3) *Common enterprise.* A common enterprise will be deemed to exist
35 and loans to separate borrowers will be aggregated:

36 (A) When the expected source of repayment for each loan or
37 extension of credit is the same for each borrower and neither borrower has
38 another source of income from which the loan, together with the
39 borrower's other obligations, may be fully repaid;

40 (B) when both of the following circumstances are present:

41 (i) Loans are made to borrowers who are related directly or indirectly
42 through common control, including where one borrower is directly or
43 indirectly controlled by another borrower. Common control means to own,

1 control or have the power to vote 25% or more of any class of voting
2 securities or voting interests or to control, in any manner, the election of a
3 majority of the directors; or to have the power to exercise a controlling
4 influence over the management or policies of another person; and

5 (ii) substantial financial interdependence exists between or among the
6 borrowers. Substantial financial interdependence is deemed to exist when
7 ~~50 percent~~ 50% or more of one borrower's gross receipts or gross
8 expenditures ~~(, on an annual basis)~~, are derived from transactions with the
9 other borrower. Gross receipts and expenditures include gross revenues,
10 expenses, intercompany loans, dividends, capital contributions and similar
11 receipts or payments; or

12 (C) when separate persons borrow from a bank to acquire a business
13 enterprise of which those borrowers will own more than 50% of the voting
14 securities or voting interests, in which case a common enterprise is
15 deemed to exist between the borrowers for purposes of combining the
16 acquisition loan.

17 (D) An employer will not be treated as a source of repayment for
18 purposes of determining a common enterprise because of wages and
19 salaries paid to an employee.

20 (4) *Special rules for loans to a corporate group.* (A) Loans by a bank
21 to a borrower and the borrower's subsidiaries shall not, in the aggregate,
22 exceed 50% of the bank's capital. At no time shall loans to any one
23 borrower or to any one subsidiary exceed the general lending limit of 25%,
24 except as allowed by other provisions of this section. For purposes of this
25 paragraph, a corporation or a limited liability company is a subsidiary of a
26 borrower if the borrower owns or beneficially owns directly or indirectly
27 more than ~~50 percent~~ 50% of the voting securities or voting interests of the
28 corporation or company.

29 (B) Loans to a borrower and a borrower's subsidiaries that do not
30 meet the test contained in subsection (f)(4)(A) will not be combined unless
31 either the direct benefit or the common enterprise test is met.

32 (5) *Special Rules for loans to partnerships, joint ventures and*
33 *associations.* (A) As used in this ~~subpart (5) paragraph~~, the term
34 "partnership" shall include a partnership, joint venture or association. The
35 term partner shall include a partner in a partnership or a member in a joint
36 venture or association.

37 (B) *General partner.* Loans to a partnership are considered to be
38 loans to a partner; if, by the terms of the partnership agreement, that
39 partner is held generally liable for debts or actions of the partnership.

40 (C) *Limited partner.* If the liability of a partner is limited by the terms
41 of the partnership agreement, the amount of the partnership debt
42 attributable to the partner is in direct proportion to that partner's limited
43 partnership liability.

1 (D) Notwithstanding the provisions of subsections (f)(5)(B) and (f)(5)
2 (C), if by the terms of the loan agreement the liability of any partner is
3 different than delineated in the partnership agreement, for the purpose of
4 attributing debt to the partner, the loan agreement shall control.

5 (E) Loans to a partner are not attributed to the partnership unless
6 either the direct benefit or the common enterprise test is met.

7 (F) Loans to one partner are not attributed to other partners unless
8 either the direct benefit or common enterprise test is met.

9 (G) When a loan is made to a partner to purchase an interest in a
10 partnership, both the direct benefit and common enterprise tests are
11 deemed to be met, and the loan is attributed to the partnership.

12 (6) Notwithstanding the provisions of this subsection, the
13 commissioner may determine, based upon an evaluation of the facts and
14 circumstances of a particular transaction, that a loan to one borrower may
15 be attributed to another borrower.

16 (g) The commissioner may order a bank to correct any loan not in
17 compliance with this section *within 60 days*. A violation of this section
18 shall be deemed corrected if that portion of the borrower's liability which
19 created the violation could be legally advanced under current lending
20 limits. ~~Failure to comply with the commissioner's order within 60 days~~
21 ~~shall be grounds for the proposed removal of a bank officer or director~~
22 ~~pursuant to K.S.A. 9-1805, and amendments thereto.~~

9 follows: 39-709. (a) *General eligibility requirements for assistance for*
10 *which federal moneys are expended.* Subject to the additional requirements
11 below, assistance in accordance with plans under which federal moneys
12 are expended may be granted to any needy person who:

13 (1) Has insufficient income or resources to provide a reasonable
14 subsistence compatible with decency and health. Where a husband and
15 wife are living together, the combined income or resources of both shall be
16 considered in determining the eligibility of either or both for such
17 assistance unless otherwise prohibited by law. The secretary, in
18 determining need of any applicant for or recipient of assistance shall not
19 take into account the financial responsibility of any individual for any
20 applicant or recipient of assistance unless such applicant or recipient is
21 such individual's spouse or such individual's minor child or minor
22 stepchild if the stepchild is living with such individual. The secretary in
23 determining need of an individual may provide such income and resource
24 exemptions as may be permitted by federal law. For purposes of eligibility
25 for aid for families with dependent children, for food stamp assistance and
26 for any other assistance provided through the Kansas department for
27 children and families under which federal moneys are expended, the
28 secretary for children and families shall consider one motor vehicle owned
29 by the applicant for assistance, regardless of the value of such vehicle, as
30 exempt personal property and shall consider any equity in any additional
31 motor vehicle owned by the applicant for assistance to be a nonexempt
32 resource of the applicant for assistance.

43 with criteria and guidelines prescribed by rules and regulations of the

1 secretary.

2 (c) *Aid to families with dependent children; assignment of support*
3 *rights and limited power of attorney.* By applying for or receiving aid to
4 families with dependent children such applicant or recipient shall be
5 deemed to have assigned to the secretary on behalf of the state any
6 accrued, present or future rights to support from any other person such
7 applicant may have in such person's own behalf or in behalf of any other
8 family member for whom the applicant is applying for or receiving aid. In
9 any case in which an order for child support has been established and the
10 legal custodian and obligee under the order surrenders physical custody of
11 the child to a caretaker relative without obtaining a modification of legal
12 custody and support rights on behalf of the child are assigned pursuant to
13 this section, the surrender of physical custody and the assignment shall
14 transfer, by operation of law, the child's support rights under the order to
15 the secretary on behalf of the state. Such assignment shall be of all
16 accrued, present or future rights to support of the child surrendered to the
17 caretaker relative. The assignment of support rights shall automatically
18 become effective upon the date of approval for or receipt of such aid

25 perform the specific act of negotiating and endorsing all drafts, checks,
26 money orders or other negotiable instruments representing support
27 payments received by the secretary in behalf of any person applying for,
28 receiving or having received such assistance. This limited power of
29 attorney shall be effective from the date the secretary approves the
30 application for aid and shall remain in effect until the assignment of
31 support rights has been terminated in full.

32 (d) *Eligibility requirements for general assistance, the cost of which*
33 *is not shared by the federal government.* (1) General assistance may be
34 granted to eligible persons who do not qualify for financial assistance in a

39 compatible with decency and health and, except as provided for
40 transitional assistance, be a member of a family in which a minor child or
41 a pregnant woman resides or be unable to engage in employment. The
42 secretary shall adopt rules and regulations prescribing criteria for
43 establishing when a minor child may be considered to be living with a

1 family and whether a person is able to engage in employment, including
2 such factors as age or physical or mental condition. Eligibility for general
3 assistance, other than transitional assistance, is limited to families in which
4 a minor child or a pregnant woman resides or to an adult or family in
5 which all legally responsible family members are unable to engage in
6 employment. Where a husband and wife are living together the combined
7 income or resources of both shall be considered in determining the
8 eligibility of either or both for such assistance unless otherwise prohibited
9 by law. The secretary in determining need of any applicant for or recipient
10 of general assistance shall not take into account the financial responsibility
11 of any individual for any applicant or recipient of general assistance unless
12 such applicant or recipient is such individual's spouse or such individual's
13 minor child or a minor stepchild if the stepchild is living with such
14 individual. In determining the need of an individual, the secretary may
15 provide for income and resource exemptions.

16 (B) To qualify for general assistance in any form a needy person must
17 be a citizen of the United States or an alien lawfully admitted to the United
18 States and must be residing in the state of Kansas.

19 (2) General assistance in the form of transitional assistance may be
20 granted to eligible persons who do not qualify for financial assistance in a
21 program in which the federal government participates and who satisfy the
22 additional requirements prescribed by or under this subsection (d), but who
23 do not meet the criteria prescribed by rules and regulations of the secretary
24 relating to inability to engage in employment or are not a member of a
25 family in which a minor or a pregnant woman resides.

26 (3) In addition to the other requirements prescribed under this
27 subsection (d), the secretary shall adopt rules and regulations which
28 establish community work experience program requirements for eligibility
29 for the receipt of general assistance in any form and which establish
30 penalties to be imposed when a work assignment under a community work
31 experience program requirement is not completed without good cause. The
32 secretary may adopt rules and regulations establishing exemptions from
33 any such community work experience program requirements. A first time
34 failure to complete such a work assignment requirement shall result in
35 ineligibility to receive general assistance for a period fixed by such rules
36 and regulations of not more than three calendar months. A subsequent
37 failure to complete such a work assignment requirement shall result in a
38 period fixed by such rules and regulations of ineligibility of not more than
39 six calendar months.

40 (4) If any person is found guilty of the crime of theft under the
41 provisions of K.S.A. 39-720, and amendments thereto, such person shall
42 thereby become forever ineligible to receive any form of general
43 assistance under the provisions of this subsection (d) unless the conviction

1 is the person's first conviction under the provisions of K.S.A. 39-720, and
2 amendments thereto, or the law of any other state concerning welfare
3 fraud. First time offenders convicted of a misdemeanor under the
4 provisions of such statute shall become ineligible to receive any form of
5 general assistance for a period of 12 calendar months from the date of
6 conviction. First time offenders convicted of a felony under the provisions
7 of such statute shall become ineligible to receive any form of general
8 assistance for a period of 60 calendar months from the date of conviction.
9 If any person is found guilty by a court of competent jurisdiction of any
10 state other than the state of Kansas of a crime involving welfare fraud,
11 such person shall thereby become forever ineligible to receive any form of
12 general assistance under the provisions of this subsection (d) unless the
13 conviction is the person's first conviction under the law of any other state
14 concerning welfare fraud. First time offenders convicted of a misdemeanor
15 under the law of any other state concerning welfare fraud shall become
16 ineligible to receive any form of general assistance for a period of 12
17 calendar months from the date of conviction. First time offenders
18 convicted of a felony under the law of any other state concerning welfare
19 fraud shall become ineligible to receive any form of general assistance for
20 a period of 60 calendar months from the date of conviction.

21 (e) *Requirements for medical assistance for which federal moneys or*
22 *state moneys or both are expended.* (1) When the secretary has adopted a
23 medical care plan under which federal moneys or state moneys or both are
24 expended, medical assistance in accordance with such plan shall be
25 granted to any person who is a citizen of the United States or who is an
26 alien lawfully admitted to the United States and who is residing in the state
27 of Kansas, whose resources and income do not exceed the levels
28 prescribed by the secretary. In determining the need of an individual, the
29 secretary may provide for income and resource exemptions and protected
30 income and resource levels. Resources from inheritance shall be counted.
31 A disclaimer of an inheritance pursuant to K.S.A. 59-2291, and
32 amendments thereto, shall constitute a transfer of resources. The secretary
33 shall exempt principal and interest held in irrevocable trust pursuant to
34 ~~subsection (e) of K.S.A. 16-303(c)~~, and amendments thereto, from the
35 eligibility requirements of applicants for and recipients of medical
36 assistance. Such assistance shall be known as medical assistance.

37 (2) For the purposes of medical assistance eligibility determinations
38 on or after July 1, 2004, if an applicant or recipient owns property in joint
39 tenancy with some other party and the applicant or recipient of medical
40 assistance has restricted or conditioned their interest in such property to a
41 specific and discrete property interest less than 100%, then such
42 designation will cause the full value of the property to be considered an
43 available resource to the applicant or recipient. Medical assistance

1 eligibility for receipt of benefits under the title XIX of the social security
2 act, commonly known as medicaid, shall not be expanded, as provided for
3 in the patient protection and affordable care act, public law 111-148, 124
4 stat. 119, and the health care and education reconciliation act of 2010,
5 public law 111-152, 124 stat. 1029, unless the legislature expressly
6 consents to, and approves of, the expansion of medicaid services by an act
7 of the legislature.

8 (3) (A) Resources from trusts shall be considered when determining
9 eligibility of a trust beneficiary for medical assistance. Medical assistance
10 is to be secondary to all resources, including trusts, that may be available
11 to an applicant or recipient of medical assistance.

12 (B) If a trust has discretionary language, the trust shall be considered
13 to be an available resource to the extent, using the full extent of discretion,
14 the trustee may make any of the income or principal available to the
15 applicant or recipient of medical assistance. Any such discretionary trust
16 shall be considered an available resource unless: (i) At the time of creation
17 or amendment of the trust, the trust states a clear intent that the trust is
18 supplemental to public assistance; and (ii) the trust: (a) Is funded from
19 resources of a person who, at the time of such funding, owed no duty of
20 support to the applicant or recipient of medical assistance; or (b) is funded
21 not more than nominally from resources of a person while that person
22 owed a duty of support to the applicant or recipient of medical assistance.

23 (C) For the purposes of this paragraph, "public assistance" includes,
24 but is not limited to, medicaid, medical assistance or title XIX of the social
25 security act.

26 (4) (A) When an applicant or recipient of medical assistance is a party
27 to a contract, agreement or accord for personal services being provided by
28 a nonlicensed individual or provider and such contract, agreement or
29 accord involves health and welfare monitoring, pharmacy assistance, case
30 management, communication with medical, health or other professionals,
31 or other activities related to home health care, long term care, medical
32 assistance benefits, or other related issues, any moneys paid under such
33 contract, agreement or accord shall be considered to be an available
34 resource unless the following restrictions are met: (i) The contract,
35 agreement or accord must be in writing and executed prior to any services
36 being provided; (ii) the moneys paid are in direct relationship with the fair
37 market value of such services being provided by similarly situated and
38 trained nonlicensed individuals; (iii) if no similarly situated nonlicensed
39 individuals or situations can be found, the value of services will be based
40 on federal hourly minimum wage standards; (iv) such individual providing
41 the services will report all receipts of moneys as income to the appropriate
42 state and federal governmental revenue agencies; (v) any amounts due
43 under such contract, agreement or accord shall be paid after the services

1 are rendered; (vi) the applicant or recipient shall have the power to revoke
2 the contract, agreement or accord; and (vii) upon the death of the applicant
3 or recipient, the contract, agreement or accord ceases.

4 (B) When an applicant or recipient of medical assistance is a party to
5 a written contract for personal services being provided by a licensed health
6 professional or facility and such contract involves health and welfare
7 monitoring, pharmacy assistance, case management, communication with
8 medical, health or other professionals, or other activities related to home
9 health care, long term care, medical assistance benefits or other related
10 issues, any moneys paid in advance of receipt of services for such
11 contracts shall be considered to be an available resource.

12 (5) Any trust may be amended if such amendment is permitted by the
13 Kansas uniform trust code.

14 (f) *Eligibility for medical assistance of resident receiving medical*
15 *care outside state.* A person who is receiving medical care including long-
16 term care outside of Kansas whose health would be endangered by the
17 postponement of medical care until return to the state or by travel to return
18 to Kansas, may be determined eligible for medical assistance if such
19 individual is a resident of Kansas and all other eligibility factors are met.
20 Persons who are receiving medical care on an ongoing basis in a long-term
21 medical care facility in a state other than Kansas and who do not return to
22 a care facility in Kansas when they are able to do so, shall no longer be
23 eligible to receive assistance in Kansas unless such medical care is not
24 available in a comparable facility or program providing such medical care
25 in Kansas. For persons who are minors or who are under guardianship, the
26 actions of the parent or guardian shall be deemed to be the actions of the
27 child or ward in determining whether or not the person is remaining
28 outside the state voluntarily.

29 (g) *Medical assistance; assignment of rights to medical support and*
30 *limited power of attorney; recovery from estates of deceased recipients.* (1)

31 (A) Except as otherwise provided in K.S.A. 39-786 and 39-787, and
32 amendments thereto, or as otherwise authorized on and after September
33 30, 1989, under section 303 of the federal medicare catastrophic coverage
34 act of 1988, whichever is applicable, by applying for or receiving medical
35 assistance under a medical care plan in which federal funds are expended,
36 any accrued, present or future rights to support and any rights to payment
37 for medical care from a third party of an applicant or recipient and any
38 other family member for whom the applicant is applying shall be deemed
39 to have been assigned to the secretary on behalf of the state. The
40 assignment shall automatically become effective upon the date of approval
41 for such assistance without the requirement that any document be signed
42 by the applicant or recipient. By applying for or receiving medical
43 assistance the applicant or recipient is also deemed to have appointed the

1 secretary, or the secretary's designee, as an attorney in fact to perform the
2 specific act of negotiating and endorsing all drafts, checks, money orders
3 or other negotiable instruments, representing payments received by the
4 secretary in [on] behalf of any person applying for, receiving or having
5 received such assistance. This limited power of attorney shall be effective
6 from the date the secretary approves the application for assistance and
7 shall remain in effect until the assignment has been terminated in full. The
8 assignment of any rights to payment for medical care from a third party
9 under this subsection shall not prohibit a health care provider from directly
10 billing an insurance carrier for services rendered if the provider has not
11 submitted a claim covering such services to the secretary for payment.
12 Support amounts collected on behalf of persons whose rights to support
13 are assigned to the secretary only under this subsection and no other shall
14 be distributed pursuant to subsection (d) of K.S.A. 39-756, and
15 amendments thereto, except that any amounts designated as medical
16 support shall be retained by the secretary for repayment of the
17 unreimbursed portion of assistance. Amounts collected pursuant to the
18 assignment of rights to payment for medical care from a third party shall
19 also be retained by the secretary for repayment of the unreimbursed
20 portion of assistance.

21 (B) Notwithstanding the provisions of subparagraph (A), the
22 secretary of health and environment, or the secretary's designee, is hereby
23 authorized to and shall exercise any of the powers specified in
24 subparagraph (A) in relation to performance of such secretary's duties
25 pertaining to medical subrogation, estate recovery or any other duties
26 assigned to such secretary in article 74 of chapter 75 of the Kansas Statutes
27 Annotated, and amendments thereto.

28 (2) The amount of any medical assistance paid after June 30, 1992,
29 under the provisions of subsection (e) is (A) a claim against the property or
30 any interest therein belonging to and a part of the estate of any deceased
31 recipient or, if there is no estate, the estate of the surviving spouse, if any,
32 shall be charged for such medical assistance paid to either or both, and (B)
33 a claim against any funds of such recipient or spouse in any account under
34 K.S.A. 9-1215, ~~9-1216~~, 17-2263, 17-2264, 17-5828 or 17-5829, and
35 amendments thereto. There shall be no recovery of medical assistance
36 correctly paid to or on behalf of an individual under subsection (e) except
37 after the death of the surviving spouse of the individual, if any, and only at
38 a time when the individual has no surviving child who is under 21 years of
39 age or is blind or permanently and totally disabled. Transfers of real or
40 personal property by recipients of medical assistance without adequate
41 consideration are voidable and may be set aside. Except where there is a
42 surviving spouse, or a surviving child who is under 21 years of age or is
43 blind or permanently and totally disabled, the amount of any medical

1 assistance paid under subsection (e) is a claim against the estate in any
2 guardianship or conservatorship proceeding. The monetary value of any
3 benefits received by the recipient of such medical assistance under long-
4 term care insurance, as defined by K.S.A. 40-2227, and amendments
5 thereto, shall be a credit against the amount of the claim provided for such
6 medical assistance under this subsection (g). The secretary of health and
7 environment is authorized to enforce each claim provided for under this
8 subsection (g). The secretary of health and environment shall not be
9 required to pursue every claim, but is granted discretion to determine
10 which claims to pursue. All moneys received by the secretary of health and
11 environment from claims under this subsection (g) shall be deposited in
12 the social welfare fund. The secretary of health and environment may
13 adopt rules and regulations for the implementation and administration of
14 the medical assistance recovery program under this subsection (g).

15 (3) By applying for or receiving medical assistance under the
16 provisions of article 7 of chapter 39 of the Kansas Statutes Annotated, and
17 amendments thereto, such individual or such individual's agent, fiduciary,
18 guardian, conservator, representative payee or other person acting on
19 behalf of the individual consents to the following definitions of estate and
20 the results therefrom:

21 (A) If an individual receives any medical assistance before July 1,
22 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated,
23 and amendments thereto, which forms the basis for a claim under
24 subsection (g)(2), such claim is limited to the individual's probatable estate
25 as defined by applicable law; and

26 (B) if an individual receives any medical assistance on or after July 1,
27 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated,
28 and amendments thereto, which forms the basis for a claim under
29 subsection (g)(2), such claim shall apply to the individual's medical
30 assistance estate. The medical assistance estate is defined as including all
31 real and personal property and other assets in which the deceased
32 individual had any legal title or interest immediately before or at the time
33 of death to the extent of that interest or title. The medical assistance estate
34 includes, without limitation assets conveyed to a survivor, heir or assign of
35 the deceased recipient through joint tenancy, tenancy in common,
36 survivorship, transfer-on-death deed, payable-on-death contract, life estate,
37 trust, annuities or similar arrangement.

38 (4) The secretary of health and environment or the secretary's
39 designee is authorized to file and enforce a lien against the real property of
40 a recipient of medical assistance in certain situations, subject to all prior
41 liens of record and transfers for value to a bona fide purchaser of record.
42 The lien must be filed in the office of the register of deeds of the county
43 where the real property is located within one year from the date of death of

1 the recipient and must contain the legal description of all real property in
2 the county subject to the lien.

3 (A) After the death of a recipient of medical assistance, the secretary
4 of health and environment or the secretary's designee may place a lien on
5 any interest in real property owned by such recipient.

6 (B) The secretary of health and environment or the secretary's
7 designee may place a lien on any interest in real property owned by a
8 recipient of medical assistance during the lifetime of such recipient. Such
9 lien may be filed only after notice and an opportunity for a hearing has
10 been given. Such lien may be enforced only upon competent medical
11 testimony that the recipient cannot reasonably be expected to be
12 discharged and returned home. A six-month period of compensated
13 inpatient care at a nursing home or other medical institution shall
14 constitute a determination by the department of health and environment
15 that the recipient cannot reasonably be expected to be discharged and
16 returned home. To return home means the recipient leaves the nursing or
17 medical facility and resides in the home on which the lien has been placed
18 for a continuous period of at least 90 days without being readmitted as an
19 inpatient to a nursing or medical facility. The amount of the lien shall be
20 for the amount of assistance paid by the department of health and
21 environment until the time of the filing of the lien and for any amount paid
22 thereafter for such medical assistance to the recipient. After the lien is filed
23 against any real property owned by the recipient, such lien will be
24 dissolved if the recipient is discharged, returns home and resides upon the
25 real property to which the lien is attached for a continuous period of at
26 least 90 days without being readmitted as an inpatient to a nursing or
27 medical facility. If the recipient is readmitted as an inpatient to a nursing or
28 medical facility for a continuous period of less than 90 days, another
29 continuous period of at least 90 days shall be completed prior to
30 dissolution of the lien.

31 (5) The lien filed by the secretary of health and environment or the
32 secretary's designee for medical assistance correctly received may be
33 enforced before or after the death of the recipient by the filing of an action
34 to foreclose such lien in the Kansas district court or through an estate
35 probate court action in the county where the real property of the recipient
36 is located. However, it may be enforced only:

37 (A) After the death of the surviving spouse of the recipient;

38 (B) when there is no child of the recipient, natural or adopted, who is
39 20 years of age or less residing in the home;

40 (C) when there is no adult child of the recipient, natural or adopted,
41 who is blind or disabled residing in the home; or

42 (D) when no brother or sister of the recipient is lawfully residing in
43 the home, who has resided there for at least one year immediately before

1 the date of the recipient's admission to the nursing or medical facility, and
2 has resided there on a continuous basis since that time.

3 (6) The lien remains on the property even after a transfer of the title
4 by conveyance, sale, succession, inheritance or will unless one of the
5 following events occur:

6 (A) The lien is satisfied. The recipient, the heirs, personal
7 representative or assigns of the recipient may discharge such lien at any
8 time by paying the amount of the lien to the secretary of health and
9 environment or the secretary's designee;

10 (B) the lien is terminated by foreclosure of prior lien of record or
11 settlement action taken in lieu of foreclosure; or

12 (C) the value of the real property is consumed by the lien, at which
13 time the secretary of health and environment or the secretary's designee
14 may force the sale for the real property to satisfy the lien.

15 (7) If the secretary for aging and disability services or the secretary of
16 health and environment, or both, or such secretary's designee has not filed
17 an action to foreclose the lien in the Kansas district court in the county
18 where the real property is located within 10 years from the date of the
19 filing of the lien, then the lien shall become dormant, and shall cease to
20 operate as a lien on the real estate of the recipient. Such dormant lien may
21 be revived in the same manner as a dormant judgment lien is revived under
22 K.S.A. 60-2403 et seq., and amendments thereto.

23 (8) Within seven days of receipt of notice by the secretary for
24 children and families or the secretary's designee of the death of a recipient
25 of medical assistance under this subsection, the secretary for children and
26 families or the secretary's designee shall give notice of such recipient's
27 death to the secretary of health and environment or the secretary's
28 designee.

29 (9) All rules and regulations adopted on and after July 1, 2013, and
30 prior to July 1, 2014, to implement this subsection shall continue to be
31 effective and shall be deemed to be duly adopted rules and regulations of
32 the secretary of health and environment until revised, amended, revoked or
33 nullified pursuant to law.

34 (h) *Placement under the revised Kansas code for care of children or*
35 *revised Kansas juvenile justice code; assignment of support rights and*
36 *limited power of attorney.* In any case in which the secretary for children
37 and families pays for the expenses of care and custody of a child pursuant
38 to K.S.A. 2014 Supp. 38-2201 et seq. or 38-2301 et seq., and amendments
39 thereto, including the expenses of any foster care placement, an
40 assignment of all past, present and future support rights of the child in
41 custody possessed by either parent or other person entitled to receive
42 support payments for the child is, by operation of law, conveyed to the
43 secretary. Such assignment shall become effective upon placement of a

1 child in the custody of the secretary or upon payment of the expenses of
2 care and custody of a child by the secretary without the requirement that
3 any document be signed by the parent or other person entitled to receive
4 support payments for the child. When the secretary pays for the expenses
5 of care and custody of a child or a child is placed in the custody of the
6 secretary, the parent or other person entitled to receive support payments
7 for the child is also deemed to have appointed the secretary, or the
8 secretary's designee, as attorney in fact to perform the specific act of
9 negotiating and endorsing all drafts, checks, money orders or other
10 negotiable instruments representing support payments received by the
11 secretary on behalf of the child. This limited power of attorney shall be
12 effective from the date the assignment to support rights becomes effective
13 and shall remain in effect until the assignment of support rights has been
14 terminated in full.

15 (i) No person who voluntarily quits employment or who is fired from
16 employment due to gross misconduct as defined by rules and regulations
17 of the secretary or who is a fugitive from justice by reason of a felony
18 conviction or charge shall be eligible to receive public assistance benefits
19 in this state. Any recipient of public assistance who fails to timely comply
20 with monthly reporting requirements under criteria and guidelines
21 prescribed by rules and regulations of the secretary shall be subject to a
22 penalty established by the secretary by rules and regulations.

23 (j) If the applicant or recipient of aid to families with dependent
24 children is a mother of the dependent child, as a condition of the mother's
25 eligibility for aid to families with dependent children the mother shall
26 identify by name and, if known, by current address the father of the
27 dependent child except that the secretary may adopt by rules and
28 regulations exceptions to this requirement in cases of undue hardship. Any
29 recipient of aid to families with dependent children who fails to cooperate
30 with requirements relating to child support enforcement under criteria and
31 guidelines prescribed by rules and regulations of the secretary shall be
32 subject to a penalty established by the secretary by rules and regulations
33 which penalty shall progress to ineligibility for the family after three
34 months of noncooperation.

35 (k) By applying for or receiving child care benefits or food stamps,
36 the applicant or recipient shall be deemed to have assigned, pursuant to
37 K.S.A. 39-756, and amendments thereto, to the secretary on behalf of the
38 state only accrued, present or future rights to support from any other
39 person such applicant may have in such person's own behalf or in behalf of
40 any other family member for whom the applicant is applying for or
41 receiving aid. The assignment of support rights shall automatically become
42 effective upon the date of approval for or receipt of such aid without the
43 requirement that any document be signed by the applicant or recipient. By

1 applying for or receiving child care benefits or food stamps, the applicant
2 or recipient is also deemed to have appointed the secretary, or the
3 secretary's designee, as an attorney in fact to perform the specific act of
4 negotiating and endorsing all drafts, checks, money orders or other
5 negotiable instruments representing support payments received by the
6 secretary in behalf of any person applying for, receiving or having
7 received such assistance. This limited power of attorney shall be effective
8 from the date the secretary approves the application for aid and shall
9 remain in effect until the assignment of support rights has been terminated
10 in full. An applicant or recipient who has assigned support rights to the
11 secretary pursuant to this subsection shall cooperate in establishing and
12 enforcing support obligations to the same extent required of applicants for
13 or recipients of aid to families with dependent children.

14 (1) (1) A program of drug screening for applicants for cash assistance
15 as a condition of eligibility for cash assistance and persons receiving cash
16 assistance as a condition of continued receipt of cash assistance shall be
17 established, subject to applicable federal law, by the secretary for children
18 and families on and before January 1, 2014. Under such program of drug
19 screening, the secretary for children and families shall order a drug
20 screening of an applicant for or a recipient of cash assistance at any time
21 when reasonable suspicion exists that such applicant for or recipient of
22 cash assistance is unlawfully using a controlled substance or controlled
23 substance analog. The secretary for children and families may use any
24 information obtained by the secretary for children and families to
25 determine whether such reasonable suspicion exists, including, but not
26 limited to, an applicant's or recipient's demeanor, missed appointments and
27 arrest or other police records, previous employment or application for
28 employment in an occupation or industry that regularly conducts drug
29 screening, termination from previous employment due to unlawful use of a
30 controlled substance or controlled substance analog or prior drug screening
31 records of the applicant or recipient indicating unlawful use of a controlled
32 substance or controlled substance analog.

33 (2) Any applicant for or recipient of cash assistance whose drug
34 screening results in a positive test may request that the drug screening
35 specimen be sent to a different drug testing facility for an additional drug
36 screening. Any applicant for or recipient of cash assistance who requests
37 an additional drug screening at a different drug testing facility shall be
38 required to pay the cost of drug screening. Such applicant or recipient who
39 took the additional drug screening and who tested negative for unlawful
40 use of a controlled substance and controlled substance analog shall be
41 reimbursed for the cost of such additional drug screening.

42 (3) Any applicant for or recipient of cash assistance who tests
43 positive for unlawful use of a controlled substance or controlled substance

1 analog shall be required to complete a substance abuse treatment program
2 approved by the secretary for children and families, secretary of labor or
3 secretary of commerce, and a job skills program approved by the secretary
4 for children and families, secretary of labor or secretary of commerce.
5 Subject to applicable federal laws, any applicant for or recipient of cash
6 assistance who fails to complete or refuses to participate in the substance
7 abuse treatment program or job skills program as required under this
8 subsection shall be ineligible to receive cash assistance until completion of
9 such substance abuse treatment and job skills programs. Upon completion
10 of both substance abuse treatment and job skills programs, such applicant
11 for or recipient of cash assistance may be subject to periodic drug
12 screening, as determined by the secretary for children and families. Upon a
13 second positive test for unlawful use of a controlled substance or
14 controlled substance analog, a recipient of cash assistance shall be ordered
15 to complete again a substance abuse treatment program and job skills
16 program, and shall be terminated from cash assistance for a period of 12
17 months, or until such recipient of cash assistance completes both substance
18 abuse treatment and job skills programs, whichever is later. Upon a third
19 positive test for unlawful use of a controlled substance or controlled
20 substance analog, a recipient of cash assistance shall be terminated from
21 cash assistance, subject to applicable federal law.

22 (4) If an applicant for or recipient of cash assistance is ineligible for
23 or terminated from cash assistance as a result of a positive test for
24 unlawful use of a controlled substance or controlled substance analog, and
25 such applicant for or recipient of cash assistance is the parent or legal
26 guardian of a minor child, an appropriate protective payee shall be
27 designated to receive cash assistance on behalf of such child. Such parent
28 or legal guardian of the minor child may choose to designate an individual
29 to receive cash assistance for such parent's or legal guardian's minor child,
30 as approved by the secretary for children and families. Prior to the
31 designated individual receiving any cash assistance, the secretary for
32 children and families shall review whether reasonable suspicion exists that
33 such designated individual is unlawfully using a controlled substance or
34 controlled substance analog.

35 (A) In addition, any individual designated to receive cash assistance
36 on behalf of an eligible minor child shall be subject to drug screening at
37 any time when reasonable suspicion exists that such designated individual
38 is unlawfully using a controlled substance or controlled substance analog.
39 The secretary for children and families may use any information obtained
40 by the secretary for children and families to determine whether such
41 reasonable suspicion exists, including, but not limited to, the designated
42 individual's demeanor, missed appointments and arrest or other police
43 records, previous employment or application for employment in an

1 occupation or industry that regularly conducts drug screening, termination
2 from previous employment due to unlawful use of a controlled substance
3 or controlled substance analog or prior drug screening records of the
4 designated individual indicating unlawful use of a controlled substance or
5 controlled substance analog.

6 (B) Any designated individual whose drug screening results in a
7 positive test may request that the drug screening specimen be sent to a
8 different drug testing facility for an additional drug screening. Any
9 designated individual who requests an additional drug screening at a
10 different drug testing facility shall be required to pay the cost of drug
11 screening. Such designated individual who took the additional drug
12 screening and who tested negative for unlawful use of a controlled
13 substance and controlled substance analog shall be reimbursed for the cost
14 of such additional drug screening.

15 (C) Upon any positive test for unlawful use of a controlled substance
16 or controlled substance analog, the designated individual shall not receive
17 cash assistance on behalf of the parent's or legal guardian's minor child,
18 and another designated individual shall be selected by the secretary for
19 children and families to receive cash assistance on behalf of such parent's
20 or legal guardian's minor child.

21 (5) If a person has been convicted under federal or state law of any
22 offense which is classified as a felony by the law of the jurisdiction and
23 which has as an element of such offense the manufacture, cultivation,
24 distribution, possession or use of a controlled substance or controlled
25 substance analog, and the date of conviction is on or after July 1, 2013,
26 such person shall thereby become forever ineligible to receive any cash
27 assistance under this subsection unless such conviction is the person's first
28 conviction. First-time offenders convicted under federal or state law of any
29 offense which is classified as a felony by the law of the jurisdiction and
30 which has as an element of such offense the manufacture, cultivation,
31 distribution, possession or use of a controlled substance or controlled
32 substance analog, and the date of conviction is on or after July 1, 2013,
33 such person shall become ineligible to receive cash assistance for five
34 years from the date of conviction.

35 (6) Except for hearings before the Kansas department for children
36 and families or, the results of any drug screening administered as part of
37 the drug screening program authorized by this subsection shall be
38 confidential and shall not be disclosed publicly.

39 (7) The secretary for children and families may adopt such rules and
40 regulations as are necessary to carry out the provisions of this subsection.

41 (8) Any authority granted to the secretary for children and families
42 under this subsection shall be in addition to any other penalties prescribed
43 by law.
