9 be necessary for the management of a dental office on the basis of a lease
10 or any other agreement for compensation. A person or entity is not a dental
11 franchisor if the agreement with the dentist:

12 (A) Permits the person or entity to interfere with the professional

26 A licensee of dentistry who enters into any arrangement with an

30 may employ dentists, for a period of not more than 18 months following
31 the date of death or substantial disability of the dentist, to provide service
32 to patients until the practice can be sold or closed. Upon application
33 showing good cause, including, but not limited to, evidence of a good faith
34 effort to sell or close the dental practice, the Kansas dental board may
35 extend the time in six-month increments for a period of not more than one
36 additional year for which the practice can be sold or closed. The Kansas
37 dental board may adopt rules and regulations as necessary to carry out the
38 provisions of this section.

39 Sec. 7. K.S.A. 2014 Supp. 65-1431 is hereby amended to read as
40 follows: 65-1431. (a) Each license to practice as a dentist, *registered*
41 *dental practitioner* or dental hygienist issued by the board, shall expire on
42 December 1 of the year specified by the board for the expiration of the
43 license and shall be renewed on a biennial basis. Each application for

1 renewal shall be made on a form prescribed and furnished by the board.
2 Every licensed dentist, *registered dental practitioner* or dental hygienist
3 shall pay to the board a renewal fee fixed by the board as provided in
4 K.S.A. 65-1447, and amendments thereto.

5 (b) To provide for a staggered system of biennial renewal of licenses,
6 the board may renew licenses for less than two years.

7 (c) On or before December 1 of the year in which the licensee's
8 license expires, the licensee shall transmit to the board a renewal
9 application, upon a form prescribed by the board, which shall include such
10 licensee's signature, post office address, the number of the license of such
11 licensee, whether such licensee has been engaged during the preceding

14 board, together with the biennial licensure fee for a *registered dental*
15 *practitioner or* dental hygienist which is fixed by the board pursuant to
16 K.S.A. 65-1447, and amendments thereto.

17 (d) The board shall require every licensee to submit with the renewal
18 application evidence of satisfactory completion of a program of continuing
19 education required by the board. The board by duly adopted rules and
20 regulations shall establish the requirements for such program of continuing
21 education as soon as possible after the effective date of this act.

22 (e) Upon fixing the biennial license renewal fee, the board shall
23 immediately notify all licensees of the amount of the fee for the ensuing
24 licensure period. Upon receipt of such fee and upon receipt of evidence
25 that the licensee has satisfactorily completed a program of continuing
26 education required by the board, the licensee shall be issued a renewal
27 license authorizing the licensee to continue to practice in this state for a
28 period of no more than two years.

29 (f) (1) Any license granted under authority of this act shall
30 automatically be canceled if the holder thereof fails to apply for and obtain
31 renewal prior to March 1 of the year following the December in which a
32 renewal application is due.

33 (2) Any licensee whose license is required to be renewed for the next
34 biennial period may obtain renewal, prior to February 1, by submitting to
35 the board the required renewal application, payment of the biennial
36 renewal fee and proof that such licensee has satisfactorily completed a
37 program of continuing education required by the board. Any licensee
38 whose license is required to be renewed for the next biennial period may
39 obtain renewal, between February 1 and March 1, by submitting to the
40 board the required renewal application, payment of the biennial renewal
41 fee, payment of a penalty fee of not to exceed \$500 as fixed by rules and
42 regulations by the board and proof that such licensee has satisfactorily
43 completed a program of continuing education required by the board. The

1 penalty fee in effect immediately prior to the effective date of this act shall
2 continue in effect until rules and regulations establishing a penalty fee
3 under this section become effective.

4 (g) Upon failure of any licensee to pay the applicable renewal fee or
5 to present proof of satisfactory completion of the required program of
6 continuing education by February 1 of the year following the December in
7 which a renewal application is due, the board shall notify such licensee, in
8 writing, by mailing notice to such licensee's last registered address. Failure
9 to mail or receive such notice shall not affect the cancellation of the
10 license of such licensee.

11 (h) The board may waive the payment of biennial fees and the
12 continuing education requirements for the renewal of licenses without the
13 payment of any fee for a person who has held a Kansas license to practice
14 dentistry, *dental therapy* or dental hygiene if such licensee has retired from
15 such practice or has become temporarily or permanently disabled and such
16 licensee files with the board a certificate stating either of the following:

17 (1) A retiring licensee shall certify to the board that the licensee is not
18 engaged, except as provided in K.S.A. 65-1466, and amendments thereto,
19 in the provision of any dental service, the performance of any dental
20 operation or procedure or the delivery of any dental hygiene service as
21 defined by the statutes of the state of Kansas; or

22 (2) a disabled licensee shall certify to the board that such licensee is
23 no longer engaged in the provision of dental services, the performance of
24 any dental operation or the provision of any dental hygiene services as
25 defined by the statutes of the state of Kansas by reason of any physical
26 disability, whether permanent or temporary, and shall describe the nature
27 of such disability.

28 (i) The waiver of fees under subsection (h) shall continue so long as
29 the retirement or physical disability exists. Except as provided in K.S.A.
30 65-1466, and amendments thereto, in the event the licensee returns to the
31 practice for which such person is licensed, the requirement for payment of
32 fees and continuing education requirements shall be reimposed
33 commencing with and continuing after the date the licensee returns to such
34 active practice. Except as provided in K.S.A. 65-1466, and amendments
35 thereto, the performance of any dental service, including consulting
36 service, or the performance of any dental hygiene service, including
37 consulting service, shall be deemed the resumption of such service,
38 requiring payment of license fees.

39 (j) The Kansas dental board may adopt such rules and regulations
40 requiring the examination and providing means for examination of those
41 persons returning to active practice after a period of retirement or
42 disability as the board shall deem necessary and appropriate for the
43 protection of the people of the state of Kansas except that for an applicant

1 to practice *dental therapy or dental hygiene* who is returning to active
2 practice after a period of retirement or disability, the board shall authorize
3 as an alternative to the requirement for an examination that the applicant
4 successfully complete a refresher course as defined by the board in an
5 approved dental hygiene school *or registered dental practitioner program*.

6 Sec. 8. K.S.A. 2014 Supp. 65-1434 is hereby amended to read as
7 follows: 65-1434. (a) The board, without examination, may issue a license
8 as a dentist, *registered dental practitioner* or dental hygienist to an

10 requirements of professional qualification and experience set forth in
11 subsection (b). The board shall prepare and adopt a form of application to
12 be submitted by an applicant for a license to be issued under this section.
13 On the receipt of any such application, the board shall conduct such
14 review, verification or other investigation of the applicant and the
15 professional qualifications, background, experience and practice of the
16 applicant as the board deems necessary to assure full compliance with the
17 requirements of this section. Any license so issued may be revoked by the
18 board upon evidence that an applicant has obtained a license under this
19 section through misrepresentation or omission of a material fact in the
20 application or other information submitted to the board.

21 (b) Each applicant for licensure under this section must evidence the
22 qualifications and meet the following requirements:

23 (1) Each applicant for licensure as a dentist under this section must
24 meet the requirements set forth in K.S.A. 65-1426, and amendments
25 thereto. *Each applicant for licensure as a registered dental practitioner*
26 *must meet any applicable requirements set forth in section 1, and*
27 *amendments thereto.* Each applicant for licensure as a dental hygienist
28 must meet any applicable requirements set forth in K.S.A. 65-1455, and
29 amendments thereto.

30 (2) Each applicant shall show evidence of having successfully

38 United States for the ~~five-year~~ *three-year* period immediately preceding
39 the date of application and shall have engaged in the active practice of
40 dentistry for at least ~~five~~ *three* years prior to the date of application. *Each*
41 *applicant for licensure as a registered dental practitioner under this*
42 *section shall have held a license to practice dental therapy in another*
43 *state of the United States for the three-year period immediately preceding*

3 Each applicant for licensure as a dental hygienist under this section shall
4 have held a license to practice dental hygiene in another state of the United
5 States for the three-year period immediately preceding the date of
6 application and shall have engaged in the active practice of dental hygiene
7 for at least three years prior to the date of application. Successive and
8 continuous periods of active practice in other states will comply with the
9 active practice requirements of this paragraph~~(3)~~. For the purpose of
10 determining the period of practice, periods of military service will be
11 considered to the extent approved by the Kansas dental board. Service as a

18 any such school of dentistry, *dental therapy* or dental hygiene must be
19 approved by the Kansas dental board within the meaning of K.S.A. 65-
20 1426, and amendments thereto.

22 fully complied with all continuing education requirements imposed by the
23 state or states in which the applicant has been licensed and has practiced
24 during the ~~five~~ *three* years immediately preceding the date of the
25 application. In the event the state or states in which the applicant has been
26 licensed and practiced has no such requirement, the applicant shall provide
27 such information concerning continuing education received by the
28 applicant during the ~~five-year~~ *three-year* period preceding application as
29 may be required by the board. All applicants must have completed
30 continuing education sufficient to comply with that continuing education
31 required of Kansas licensees during the twenty-four-month period prior to
32 the date of the application for licensure unless the Kansas dental board
33 determines, for good cause shown, that the requirement will work an
34 undue hardship upon the applicant and the requirement is not necessary for
35 the protection of the people of Kansas based upon the training and
36 experience of the applicant.

37 (5) The applicant shall provide such other information concerning the
38 applicant and the dental education, qualification, experience and
39 professional conduct of the applicant as the board in its discretion deems
40 necessary to its determination to issue a license.

3 applicant is licensed to practice dentistry, *dental therapy* or dental hygiene
4 in the state; (B) the license of the applicant has never been suspended or
5 revoked; (C) the applicant has never been the subject of any proceeding
6 for suspension, revocation or other disciplinary action initiated by the
7 board of licensure of any such state during the period the applicant has
8 held a license to practice dentistry, *dental therapy* or dental hygiene in
9 such state; and (D) no complaint has been filed against the applicant of
10 such substance as, in the judgment of the board of licensure of such state,
11 has required the initiation of proceedings against the applicant. In the
12 event the applicant has practiced dentistry, *dental therapy* or dental
13 hygiene in more than one other state in the United States, the applicant
14 shall file a similar certificate with respect to such period or periods during
15 which the applicant has practiced in each such state.

16 (c) The Kansas dental board may direct an applicant to appear before
17 the board at a date, time and place to be determined by the Kansas dental
18 board to answer questions and provide such information concerning the
