

2016 Kansas Statutes

19-2621. Same. That it shall be unlawful for any person to make or cause to be made any connection with the water mains or laterals of any such grantee, or to turn on or off, or in any manner interfere with any valve, stopcock or other appliance belonging to such grantee, without first procuring from such grantee written permit for the same to be done.

History: L. 1919, ch. 154, § 4; June 17; R.S. 1923, 19-2621.
