

2016 Kansas Statutes

38-2398. Earned discharge for juvenile probationers. For purposes of determining release of a juvenile from probation, the supreme court, in consultation with the department of corrections, shall establish rules for a system of earned discharge for juvenile probationers to be applied by all community supervision officers. A probationer shall be awarded earned discharge credits while on probation for each full calendar month of compliance with terms of supervised probation pursuant to the rules developed by the supreme court.
