

2016 Kansas Statutes

40-5802. Same; consent required to send electronic notices and documents. This act allows the use of electronic notices and documents in lieu of any other provision of law for the sending of insurance notices and documents. In order to send electronic notices and documents to another party the insurer must obtain the consent of the other party as provided in this act.

History: L. 2013, ch. 97, § 2; July 1.
