

44-510k. Post-award medical benefits; application; notice; attorney fees; termination or modification of benefits. (a) (1) At any time after the entry of an award for compensation wherein future medical benefits were awarded, the employee, employer or insurance carrier may make application for a hearing, in such form as the director may require for the furnishing, termination or modification of medical treatment. Such post-award hearing shall be held by the assigned administrative law judge, in any county designated by the administrative law judge, and the judge shall conduct the hearing as provided in K.S.A. 44-523, and amendments thereto.

(2) The administrative law judge can (A) make an award for further medical care if the administrative law judge finds that it is more probably true than not that the injury which was the subject of the underlying award is the prevailing factor in the need for further medical care and that the care requested is necessary to cure or relieve the effects of such injury, or (B) terminate or modify an award of current or future medical care if the administrative law judge finds that no further medical care is required, the injury which was the subject of the underlying award is not the prevailing factor in the need for further medical care, or that the care requested is not necessary to cure or relieve the effects of such injury.

(3) If the claimant has not received medical treatment, as defined in subsection (e) of K.S.A. 44-510h, and amendments thereto, from an authorized health care provider within two years from the date of the award or two years from the date the claimant last received medical treatment from an authorized health care provider, the employer shall be permitted to make application under this section for permanent termination of future medical benefits. In such case, there shall be a presumption that no further medical care is needed as a result of the underlying injury. The presumption may be overcome by competent medical evidence.

(4) No post-award benefits shall be ordered, modified or terminated without giving all parties to the award the opportunity to present evidence, including taking testimony on any disputed matters. A finding with regard to a disputed issue shall be subject to a full review by the board under subsection (b) of K.S.A. 44-551, and amendments thereto. Any action of the board pursuant to post-award orders shall be subject to review under K.S.A. 44-556, and amendments thereto.

(b) Any application for hearing made pursuant to this section shall receive priority setting by the administrative law judge, only superseded by preliminary hearings pursuant to K.S.A. 44-534a, and amendments thereto. The parties shall meet and confer prior to the hearing pursuant to this section, but a prehearing settlement conference shall not be necessary. The administrative law judge shall have authority to award medical treatment relating back to the entry of the underlying award, but in no event shall such medical treatment relate back more than six months following the filing of such application for post-award medical treatment. Reviews taken under this section shall receive priority settings before the board, only superseded by reviews for preliminary hearings. A decision shall be rendered by the board within 30 days from the time the review hereunder is submitted.

(c) The administrative law judge may award attorney fees and costs on the claimant's behalf consistent with subsection (g) of K.S.A. 44-536, and amendments thereto. As used in this subsection, "costs" include, but are not limited to, witness fees, mileage allowances, any costs associated with reproduction of documents that become a part of the hearing record, the expense of making a record of the hearing and such other charges as are by statute authorized to be taxed as costs.
