

2016 Kansas Statutes

47-1303. Unlawful acts. (a) It shall be unlawful for the governing body of any city, or any official or employee of a city, to enter into any contract or agreement for the collection or disposal of garbage unless such contract or agreement requires a disposal of garbage in accordance with rules and regulations of the state animal health commissioner, when disposed of by other means.

(b) It shall be unlawful for any person to give, sell or transfer garbage to another person, if such person knows that such other person is commercially feeding the garbage to a cloven hoofed animal.
