

65-448. Qualified persons at medical care facilities to examine victims of sexual offenses, when; remedy for refusal; costs. (a) Upon the request of any law enforcement officer and with the written consent of the reported victim, or upon the request of the victim, any physician, a licensed physician assistant, who has been specially trained in performing sexual assault evidence collection, or a registered professional nurse, who has been specially trained in performing sexual assault evidence collection, on call or on duty at a medical care facility of this state, as defined by subsection (h) of K.S.A. 65-425, and amendments thereto, shall examine persons who may be victims of sexual offenses cognizable as violations of K.S.A. 2016 Supp. 21-5503, 21-5504, 21-5506 or 21-5604, and amendments thereto, using Kansas bureau of investigation sexual assault evidence collection kits or similar kits approved by the Kansas bureau of investigation, for the purposes of gathering evidence of any such crime. If an examination has taken place solely upon the request of the victim, the medical care facility shall not notify any law enforcement agency without the written consent of the victim, unless otherwise required by law. If the physician, licensed physician assistant or registered professional nurse refuses to perform such physical examination the prosecuting attorney is hereby empowered to seek a mandatory injunction against such physician, licensed physician assistant or registered professional nurse to enforce the provisions of this act. Any refusal by a physician, licensed physician assistant or registered professional nurse to perform an examination which has been requested pursuant to this section shall be reported by the county or district attorney to the state board of healing arts or the board of nursing, whichever is applicable, for appropriate disciplinary action. The department of health and environment, in cooperation with the Kansas bureau of investigation, shall establish procedures for gathering evidence pursuant to this section. A minor may consent to examination under this section. Such consent is not subject to disaffirmance because of minority, and consent of parent or guardian of the minor is not required for such examination. The hospital or medical facility shall give written notice to the parent or guardian of a minor that such an examination has taken place.

(b) All sexual assault kits collected that are not released to law enforcement shall be sealed by either the sexual assault nurse examiner program or the facility that provided the examination and kept for five years in the evidence storage facilities of the Kansas bureau of investigation. After five years, such kits shall be destroyed by the Kansas bureau of investigation.

(c) The fee chargeable for conducting an examination of a victim as herein provided shall be established by the department of health and environment. Such fee, including the cost of the sexual assault evidence collection kit shall be charged to and paid by the county where the alleged offense was committed, and refusal of the victim to report the alleged offense to law enforcement shall not excuse or exempt the county from paying such fee. The fee for conducting an examination of a victim as herein provided shall not be charged or billed to the victim or to the victim's insurance carrier. Such county shall be reimbursed such fee upon the costs being paid by the defendant as court costs assessed pursuant to K.S.A. 28-172a, and amendments thereto.

(d) No medical care facility shall incur any civil, administrative or criminal liability as a result of notifying or failing to notify any law enforcement agency if an examination has taken place solely upon the request of the victim and such notification is not otherwise required by law.

(e) The Kansas bureau of investigation may adopt rules and regulations as deemed necessary to implement the provisions of this section.
