

2016 Kansas Statutes

65-6a38. Act not affecting trade of locker plant located near border of state. Nothing in this act shall be construed as limiting or prohibiting the operator of any frozen food locker plant, whose plant is so located near the border of the state that its normal trade area includes territory in a neighboring state, from continuing to provide custom slaughtering and related services, meeting the standards and in compliance with requirements established under the provisions of this act, to persons living within such normal trade area. The providing of custom slaughtering and related services to persons within such normal trade area shall not be considered as constituting the engaging in interstate commerce for the purpose of this act.
