

2016 Kansas Statutes

65-34,177. Contaminated property redevelopment act; citation of act. The intent of this act is to provide a mechanism to allow real property with environmental contamination to be purchased without the purchaser becoming liable for cleanup costs. This act establishes the contaminated property redevelopment fund to help municipalities redevelop contaminated and potentially contaminated properties. This act shall be known and may be cited as the contaminated property redevelopment act.

History: L. 2016, ch. 70, § 1; July 1.
