

2016 Kansas Statutes

72-8241. Inventory of community services; recommendations for further services. Any school attendance review board established pursuant to K.S.A. 72-8239 shall maintain a continuing inventory of community resources, including alternative educational programs, and make recommendations for the improvement of such resources and programs or for the creation of new resources and programs where none exist.

History: L. 1996, ch. 229, § 153; July 1.
