

2016 Kansas Statutes

74-3230. Transfer of functions of state education commission to state board of regents. For the purpose of consolidating certain functions within the executive branch of state government, the state education commission established by K.S.A. 72-6204 is hereby abolished, and all of the functions provided by law to be performed by said commission are hereby transferred to the state board of regents.

History: L. 1975, ch. 463, § 1; July 1.
