

2016 Kansas Statutes

74-3274. Kansas work-study program; establishment; career and YES components; purposes. There is hereby established the Kansas work-study program. The program shall consist of a career component and a youth education services component. The purpose of the career component of the program is to promote, stimulate and assist in the part-time employment of eligible students in jobs or positions of service that will complement and enhance the educational preparation of such students for a career. The purpose of the youth education services component of the program is to provide financial assistance for eligible students who participate in the program by performing youth education services for school districts or by performing duties for an eligible educational institution in connection with operation of the program.

History: L. 1987, ch. 282, § 1; L. 1994, ch. 84, § 1; July 1.
