

2016 Kansas Statutes

75-46a02. Vanpool program; purpose. The purpose of K.S.A. 75-46a02 to 75-46a09, inclusive, and amendments thereto, is to promote conservation of petroleum resources, reduce traffic and parking congestion, and diminish air pollution by facilitating the creation of self-supporting commuter vanpools in which state employees living and working in similar locations may ride to and from their places of employment.

History: L. 1980, ch. 262, § 2; L. 2004, ch. 104, § 2; July 1.
