

Kansas Insurance Department

Ken Selzer, CPA, Commissioner of Insurance

HOUSE INSURANCE COMMITTEE

TESTIMONY ON HB 2469

January 18, 2018

Thank you Mr. Chairman and members of the committee.

The Department of Insurance stands in support of this bill. We have been involved in the formation of this proposed law for nearly a year and appreciate all of the parties agreeing to this language.

This bill will help make sure that when Kansas experiences natural disasters, such as tornados and other storms, Kansas citizens can expect insurance companies to be on the scene paying claims and helping Kansans. Companies have a duty to their customers, this new law will help them do their duty.

We respectfully urge you to pass this bill.

Clark Shultz
Assistant Insurance Commissioner
